

24 July 2023

O'Neill St, Lilyfield – Stormwater Drainage Upgrade

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

Enquiries

Council's contractor: Statewide Civil – Rob Saliba

0420 370 355

Council officer: Christine Phillips, Project Engineer,

9392 5644

christine.phillips@innerwest.nsw.gov.au

We appreciate your patience and co-operation while we complete these important works.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Michael Craven'.

O'Neill St, Lilyfield – Stormwater Drainage Upgrade

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

O'Neill St, Lilyfield – Stormwater Drainage Upgrade

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

Enquiries

Council's contractor: Statewide Civil – Rob Saliba

0420 370 355

Council officer: Christine Phillips, Project Engineer,

9392 5644

christine.phillips@innerwest.nsw.gov.au

We appreciate your patience and co-operation while we complete these important works.

24 July 2023

O'Neill St, Lilyfield – Stormwater Drainage Upgrade

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

Enquiries

Council's contractor: Statewide Civil – Rob Saliba

0420 370 355

Council officer: Christine Phillips, Project Engineer,

9392 5644

christine.phillips@innerwest.nsw.gov.au

We appreciate your patience and co-operation while we complete these important works.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Michael Craven'.

O'Neill St, Lilyfield – Stormwater Drainage Upgrade

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

Enquiries

Council's contractor: Statewide Civil – Rob Saliba

0420 370 355

Council officer: Christine Phillips, Project Engineer,

9392 5644

christine.phillips@innerwest.nsw.gov.au

We appreciate your patience and co-operation while we complete these important works.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Michael Craven'.

24 July 2023

O'Neill St, Lilyfield – Stormwater Drainage Upgrade

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

Enquiries

Council's contractor: Statewide Civil – Rob Saliba

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

24 July 2023

O'Neill St, Lilyfield – Stormwater Drainage Upgrade

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

Enquiries

Council's contractor: Statewide Civil – Rob Saliba

0420 370 355

Council officer: Christine Phillips, Project Engineer,

9392 5644

christine.phillips@innerwest.nsw.gov.au

We appreciate your patience and co-operation while we complete these important works.

O'Neill St, Lilyfield – Stormwater Drainage Upgrade

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on the southern side of O'Neill St, Lilyfield between Cecily St and Justin Lane as well as in the northern end of Lamb St and Cecily St.

Project features

The works include the following:

- Installation of stormwater drainage pipes and pits
- Reconstruction of the kerb and gutter and footpath
- Reinstatement of the grass verge
- Construction of new kerb ramps

Timing of work

The works will commence the week of Monday 7 August 2023 and take approximately six months to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.

Enquiries

Council's contractor: Statewide Civil – Rob Saliba

0420 370 355

Council officer: Christine Phillips, Project Engineer,

9392 5644

christine.phillips@innerwest.nsw.gov.au

We appreciate your patience and co-operation while we complete these important works.

Yours faithfully,
