Stormwater Drainage Upgrade – Petersham Road, Marrickville

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on Petersham Road, Marrickville (between Marrickville Road & Stanley Street).

Timing of work

The works will commence the week of 25 September 2023 and take approximately six weeks to complete (weather permitting).

Reducing construction impacts

Traffic Control will be used to detour traffic flow around the site.

Access to properties will be maintained wherever possible, however during construction, please do not park next to or near the works in progress.
