Managing Complaints Involving Multiple Organisations and Multiple Parties

Council will work with multiple organisations, where possible, to ensure communication with the complainant is clear and coordinated.

The Customer Complaints Specialist will be responsible for coordinating a complaint with multiple areas within Council.

When similar complaints are made by more than one party, Council will arrange communication with a single representative of the group to ensure complaints are managed effectively.

Unreasonable Complainant Conduct

Council will deal fairly, objectively, and empathetically with all complainants. In some cases, the complainant’s behaviour may affect services provided, be a threat to the safety of staff or themselves or have an unreasonable impact on time and/or resources.

Five categories of unreasonable behaviours are:

Unreasonable Persistence	Complainant is refusing to accept that a complaint has been closed and is contacting council repeatedly about the same issue.
Unreasonable Demands	Complainant is raising issues beyond Council's responsibility, asking for a solution that is not practical or will negatively impact services.
Unreasonable lack of Cooperation	Complainant is <ul style="list-style-type: none"> • Not providing further information as requested, or • Dishonestly presenting the facts, or • Not clear on the details of the complaint, or • Details of the complaint change with each contact.
Unreasonable Arguments	Where the complainant is raising issues that are: <ul style="list-style-type: none"> • Exaggerated • Not based in reason or logic • Incomprehensible, false, inflammatory, or trivial • Delirious or focusing on conspiracy theories.
Unreasonable Behaviours	Complainant is being rude or aggressive, threatening violence or being abusive towards staff.

Managing Unreasonable Complainant Conduct

The General Manager will consider instances of unreasonable complainant conduct and may authorise limitations or adjustments for their future interactions with Council.

Council may decide to deal with unreasonable customer conduct in one or more of the following ways:

- Restricting access to a single staff member by indicating who the customer can contact within Council
- Limiting how the customer can contact Council. This can be either a phone call or an email
- Establishing alternative contact arrangements such as communication via a representative of the complainant
- Applying restrictions on a subject matter the customer can raise with Council, where the issues have been comprehensively considered and/or reviewed by Council
- Refusing to serve or requiring customers to leave the premises
- Calling the Police
- Temporary or permanent bans on attending Council facilities.

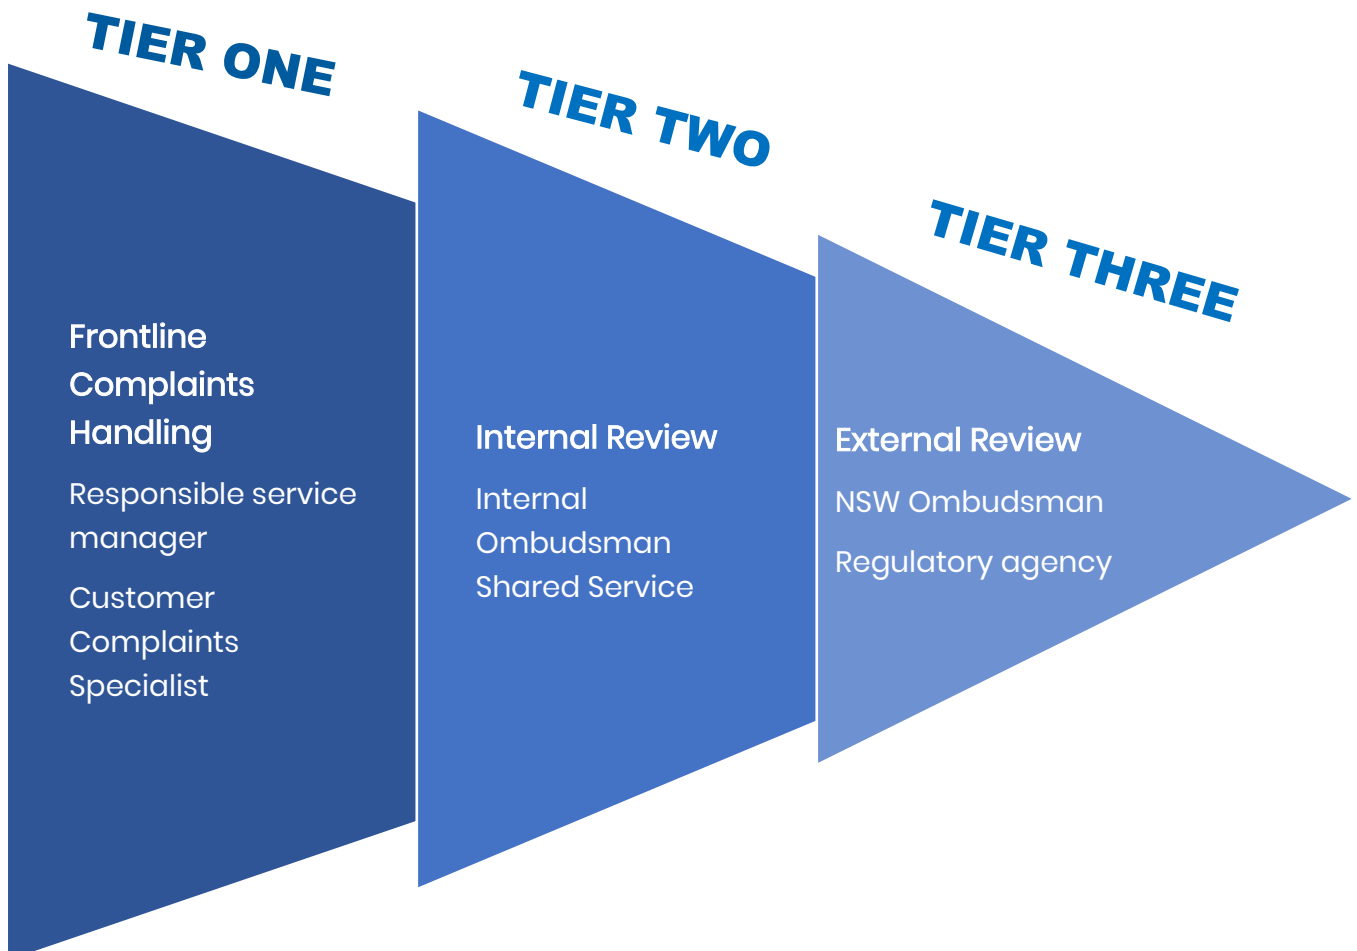

Council must notify the complainant in writing of their contact being changed or restricted. In cases where the unreasonable conduct does not pose health and safety risks for staff, Council will issue a warning letter asking for the behaviour to stop. Complainants are entitled to one appeal, to have their restrictions or changes to service to be reconsidered. This will be undertaken by a senior staff member who was not involved in the original decision.

To determine if restrictions are to be maintained, amended, or withdrawn, a review must be conducted every three or six months, depending on the nature of service effected, and not more than 12 months from the date they were imposed,

When issuing a warning or notification letter, considering rights of appeal and conducting periodic reviews Council will follow the 'NSW Ombudsman's Managing Unreasonable Conduct by Complainants Model Policy 2022'.

7 Three Levels of Complaint Handling

Council's three-tier approach to complaints handling aims to have complaints responded to and resolved promptly, efficiently, and effectively, subject to their seriousness and stage in the process. This approach is based on the NSW Ombudsman's Effective Complaint Handling Guidelines.

<p>Tier One Frontline Complaints Handling</p>	<p>Council aims to resolve complaints at the first level, through investigation, action, and response by the relevant service areas.</p> <p>Tier One resolution may take place at any of the following levels:</p> <ul style="list-style-type: none"> • Frontline Customer Service Officer • Person responsible for providing the service • Immediate supervisor of person providing the service • Responsible service manager • Customer Complaints Specialist • Responsible Director • General Manager. <p>A Staff member may decide to escalate the complaint to an officer within their hierarchy for review or assessment. The outcome of this review will be provided to the complainant.</p>
<p>Tier Two Internal Review Internal Ombudsman Shared Service (IOSS)</p>	<p>Any complainant is open to approach the IOSS independently.</p> <p>Where Tier One frontline resolution is not possible or the complainant is not satisfied with Council's response, Council can refer the complaint to the IOSS.</p> <p>The IOSS provide an independent complaint avenue regarding Council's</p> <ul style="list-style-type: none"> • Administrative conduct • Unethical behaviour • Misconduct and • Maladministration.
<p>Tier 3 External Review</p>	<p>If a complainant is not satisfied with Council's response to their complaint and the outcome of an IOSS review, they may seek a further review from a relevant Government body or regulatory agency.</p>
