

E-Waste - Important Message

Recycle your unwanted e-waste such as TVs or computers at one of Council's e-waste drop off events. Visit www.innerwest.nsw.gov.au/dropoff for more info. E-waste placed out in Council's Clean Ups is not recycled.

DO...

- ✓ Separate whitegoods, metals, garden waste and mattresses into different piles. These materials may be collected a few days after other materials, as they are recycled
- ✓ Bundle and tie garden material with string. Branches and stems must be less than 1m in length and no thicker than 100mm
- ✓ Remove all doors and locks from refrigerators and items that have compartments
- ✓ Place less than 3 cubic metres per household out for collection
- ✓ Place all items out for collection on the kerbside on Sunday 20 May 2018

DON'T...

- ✗ Don't put out materials that are dangerous or too large
- ✗ Don't put out commercial or building waste for collection
- ✗ Don't place materials so that they block the footpath or hinder pedestrian access
- ✗ Don't place materials out late - they will not be collected
- ✗ Don't place items into plastic bags

COLLECTED

Furniture that can easily be picked up by one person

Broken household items

Bundled and tied rope, cable, string and hose

Garden material MUST BE tied in bundles

Mattresses, cushions and pillows

Whitegoods eg. fridge, stove, washing machine

Plant cuttings must be tied in bundles with string. **Branches** less than **1m** in length and stems no thicker than 100mm

NOT COLLECTED

Dangerous/hazardous material, glass and medical waste

Liquid waste eg. paint, chemicals, oils

Garden waste not tied and bundled with string. **NO** soil, tree stumps, treated wood, stones

Building materials eg. concrete, bricks, tiles, fence palings and rails

No food waste, general waste or items placed into plastic bags

Motor vehicle parts, oil, batteries, tyres

Why do I need to place some materials separately?

Whitegoods, metals, garden waste and mattresses are collected separately as they will be recycled. Please place these items separately to other material so they do not get sent to landfill. **The trucks collecting these items may come several days later than the main collection.**
