

## GIPA Form for Contracts over \$150,000 (Including GST)

(When the tender/contract has been finalised and awarded, please complete this form and email it to Procurement with the subject titled: GIPA ([procurement@innerwest.nsw.gov.au](mailto:procurement@innerwest.nsw.gov.au)) for inclusion on our website as per the GIPA Act.)

The *GIPA Act* requires Council to record and publish certain information about some contracts with private sector bodies. Part 3, Division 5 of the *GIPA Act* states that information about contracts worth more than \$150,000 must be recorded in a register of contracts which must be published on Council's website.

### Contracts that must be included in the Contracts register are those:

- between Council and a private sector contractor
- signed after the commencement of the *GIPA Act* (1 July 2010)
- for a value of \$150,000 or more, and involve:
  - the contractor undertaking a specific project such as construction, infrastructure or property development
  - the contractor agreeing to provide specific goods or services
  - the transfer or lease of real property.

### There are three different classes of government contract:

**CLASS 1** Contracts are those that have, or are likely to have, a value of \$150,000 or more

**CLASS 2** Contracts are CLASS 1 contracts where:

- there has not been a public tender process and the terms and conditions of the contract have been negotiated directly with the contractor, or
- the contract was the subject of a tender (whether public or not) but the terms and conditions have been substantially negotiated with the contractor or
- the obligations of one or more parties to maintain or operate infrastructure or assets could continue for 10 years or more, and the contract involves a privately financed project or the exchange of significant assets.

**CLASS 3** Contracts are when a CLASS 2 contract has a value, or likely value of more than \$5 million. (Register is to include a copy of the CLASS 3 contract).
