

INNER WEST COUNCIL

WESTCONNEX SHORT-NOTICE UPDATE COVERAGE 10.04.19

STAGE 2 – New M5

Weekend and Night Work – Campbell Street, St Peters

The Stage 2 contractor has announced that they will be installing and connecting drainage utilities and a water main along Campbell Street. The works will take place on April 13th and 14th from 8AM to 6PM, and April 17th from 7PM to 5AM. For more details see [Notification N668](#) on Local Updates.

Extension of road closure on Barwon Park Road – St Peters

The Stage 2 contractor has noted that the current road closure of Barwon Park Road where it intersects with Campbell Street will be extended until June 2019. The reason for this extension is delay in the expected works due to unforeseen underground utilities and significant wet weather over the last few weeks. For further details, please see [Notification N665](#) on Local Updates.

STAGE 3A – M4–M5 Link Tunnels

Geotechnical Investigations – Richard Murden Reserve, Haberfield

The Stage 3A contractor has issued a notice for geotechnical survey works to be undertaken in Richard Murden Reserve, Haberfield, commencing 15 April 2019. These works are expected to take up to two weeks to complete, weather and conditions permitting. Works will be conducted from 7am to 6pm weekdays and 8am to 1pm on Saturdays. For further information, see [Notification MT035A](#) on Local Updates.

Geotechnical Investigations – Simpson Park, St Peters

The Stage 3A contractor has issued a notice for geotechnical survey works to be undertaken in Simpson Park, St Peters, commencing 15 April 2019. These works are expected to take up to two weeks to complete, weather and conditions permitting. Works will be conducted from 7am to 6pm weekdays and 8am to 1pm on Saturdays. For further information, see [Notification MT040A](#) on Local Updates.

Geotechnical Investigations – Derbyshire Road, Leichhardt

The Stage 3A contractor has issued a notice for geotechnical survey works to be undertaken along Derbyshire Road, Leichhardt, commencing 15 April 2019. These works are expected to take up to three weeks to complete, weather and conditions permitting. Works will be conducted from 7am to 6pm weekdays and 8am to 1pm on Saturdays. For further information, see [Notification MT080](#) on Local Updates.
