Engagement is fit for purpose and by invitation to a random selection of registered participants to deliberate and provide input through various consultation methods: a) Invite all residents and local businesses to opt-in to register for the Local Community Panel; b) advertise the Local Community Panel through regular Inner West communication channels providing information in community languages; and c) Consult with New Democracy Foundation on Local Community Panel design and function.	Due: Est: 30/06/2024	Following the transition to a new platform, the panel of Your Say Inner West members has grown by 4,351 including 1,563 new members in the last quarter alone. Members can register their interest in particular topics and the database can be segmented to invite particular demographics or interest groups to consultations (eg the Community Battery information session invitees included members who had selected 'environment' as an interest). Promotions are planned to grow the membership further.	In Progress

Item: C0422(1) Item 23 Notice of Motion: Electric Vehicle Charging Stations Pilot			
3. Commits to doing our fair share to combat the climate crisis and increase uptake of EVs by: a) Initiating a pilot of at least two electric vehicle (EV) charging stations located in appropriate council managed public parking areas, in partnership with providers of EV charging infrastructure within the next six months; b) That these pilot charging stations ideally be located within areas of the LGA with the highest uptake of electric vehicles and high demand for electric charging stations; c) That one pilot be conducted in a council car parking station and the other pilot be conducted on a kerbside location; d) Works with potential charging providers to shortlist a series of sites for EV public charging stations in each ward of the LGA; e) Investigates the feasibility, including cost, of a 12-month trial installation of one EV public charging station per ward; f) Works to transition the Council's heavy and fleet vehicles to electric; g) Holds an Electric Vehicle Summit in partnership with the Electric Vehicle Council, bringing together residents, businesses, and environmental groups to understand the community's challenges with uptake of EVs and what more Council can do to support uptake. h) Facilitates the installation of private charging stations where possible.	Due: Est: 31/05/2024	<p>A) The original EV charging RfQ was modified to address kerbside parking to permit Council to capitalise on NSW Government kerbside EV public charging grants which close in November 2023. Consequently, the car park EV charging RfQ has been delayed until the kerbside RfQ has been completed;</p> <p>B) To be included in negotiations with successful respondents to the proposed RfQ;</p> <p>C) This will be subject to two separate RfQs – kerbside (completed) and the future car park RfQ;</p> <p>D) To be included in negotiations with successful respondents to the RfQs (current and proposed);</p> <p>E) Discussion with EV Charging providers has indicated that a 12-month trial is not feasible. A minimum of 5 years is necessary for be viable, consequently Council's RfQs will be looking at longer term deployment in consultation with successful CPOs;</p> <p>F) Currently underway via the Urban Sustainability team</p> <p>G) EV Mayoral Roundtable held 24 August 2022</p> <p>H) The new DCP will include requirements for private charging facilities</p>	In Progress
