<b>Item: C0919(2) Item 17 Notice of Motion: Increasing Tree Canopy</b>			
5. Review and expand the Heritage Tree List or create a Significant Tree List;	<b>Due:</b> <b>Est:</b> 30/06/2023	Item commenced though requires the updating of the tree DCP to continue. Tree DCP deferred until March 2023 by Council	In Progress
6. Develop a Tree List indicating trees suitable for planting close enough to living spaces to provide shade and cooling and which have less invasive root systems;	<b>Due:</b> <b>Est:</b> 30/06/2023	A 'Trees on Private Land' fact sheet is currently being developed that will provide guidance on how to maintain trees, where to plant and what species to use. This item will also be aided by an update to the Tree DCP. Tree DCP deferred until March 2023 by Council	In Progress
9. Report on what compliance investigations or auditing has been conducted on large scale developments regarding their adherence to landscape plans and tree planting required as conditions of consent;	<b>Due:</b> <b>Est:</b> 30/06/2023	MOU under formulation with Council's Compliance team to undertake these activities with the support of the Urban Forest team. MOU due for completion February 2023	In Progress
10. Develop a work plan for priority planting in streets with insufficient canopy and reported concurrently with the current audit of trees on public land;	<b>Due:</b> <b>Est:</b> 30/06/2023	The item will be aided by an update to the DCP then formulation of harmonised asset management plans for public trees. Analysis of canopy mapping data is currently under way which will be overlaid with Council street tree data to indicate heat island areas and priority locations for planting. A staged work plan will be developed in consultation with the community for implementation mid 2023. Tree DCP deferred until March 2023 by Council	In Progress
11. Recognising the great benefits in heat reduction, amenity and property values where tree canopy meets in the middle of streets, Council identify streets, where substantial street trees could be planted to have the canopy meet in the middle;	<b>Due:</b> <b>Est:</b> 30/07/2023	Item commenced with the analysis of tree canopy data. Item will further investigated with the street tree asset management plan post Tree DCP 2022. Tree DCP deferred until March 2023 by Council	In Progress
12. Review all underutilised parks and other public spaces to identify priority locations for the creation of urban forests to be reported with the audit of trees on public land; and	<b>Due:</b> <b>Est:</b> 30/06/2023	Council is currently developing several POM's for parks with input from the Urban Forest unit to address this item. It will also be addressed during the development of Council's Urban Forest Strategy. Canopy data now available will help highlight areas that could be utilised for planting. Ground truthing of identified sites has commenced for inclusion in winter 2023 planting works	In Progress
13. Develop options to increase volunteerism amongst local residents to assist with the care and maintenance of street trees and seek the support of the community to water and care for new street tree plantings	<b>Due:</b> <b>Est:</b> 30/06/2023	This will be addressed during the development of Council's Urban Forest Strategy and Street Tree Master Plan to be delivered over the next 12 months	In Progress

**Meeting: Ordinary Council Meeting****27 August 2019**

Task	Dates	Comments	Status
<b>Item: C0819(2) Item 1 Tree Management DCP</b>			
14. A report be prepared identifying measures, outside of DCP provisions, which have been implemented in other local government areas to actively encourage the planting of trees by property owners;	<b>Due:</b> <b>Est:</b> 30/06/2023	Item commenced though requires the updating of the DCP in the first instance to understand its inclusions. Tree DCP deferred until March 2023	In Progress
19. To assist residents to plant trees in places that will ensure the health and vigour of the tree and to reduce risk, Council will provide information and advice on its website; and	<b>Due:</b> <b>Est:</b> 30/06/2023	Item being considered with updates to the website for TDCP 2022. Tree DCP deferred until March 2023	In Progress
20. To reflect the importance of trees in our community, a range of summary statistics to be reported by Council on a quarterly basis. This includes: applications by type, number of tree removals and tree plantings, and if possible, costs associated with this. Statistics should also be provided for the public domain: tree removals, tree plantings, total stock of trees and tree canopy.	<b>Due:</b> <b>Est:</b> 30/06/2023	Q1 statistics completed and to be included in quarterly reporting.	In Progress
