### **MOWING OF VERGES**

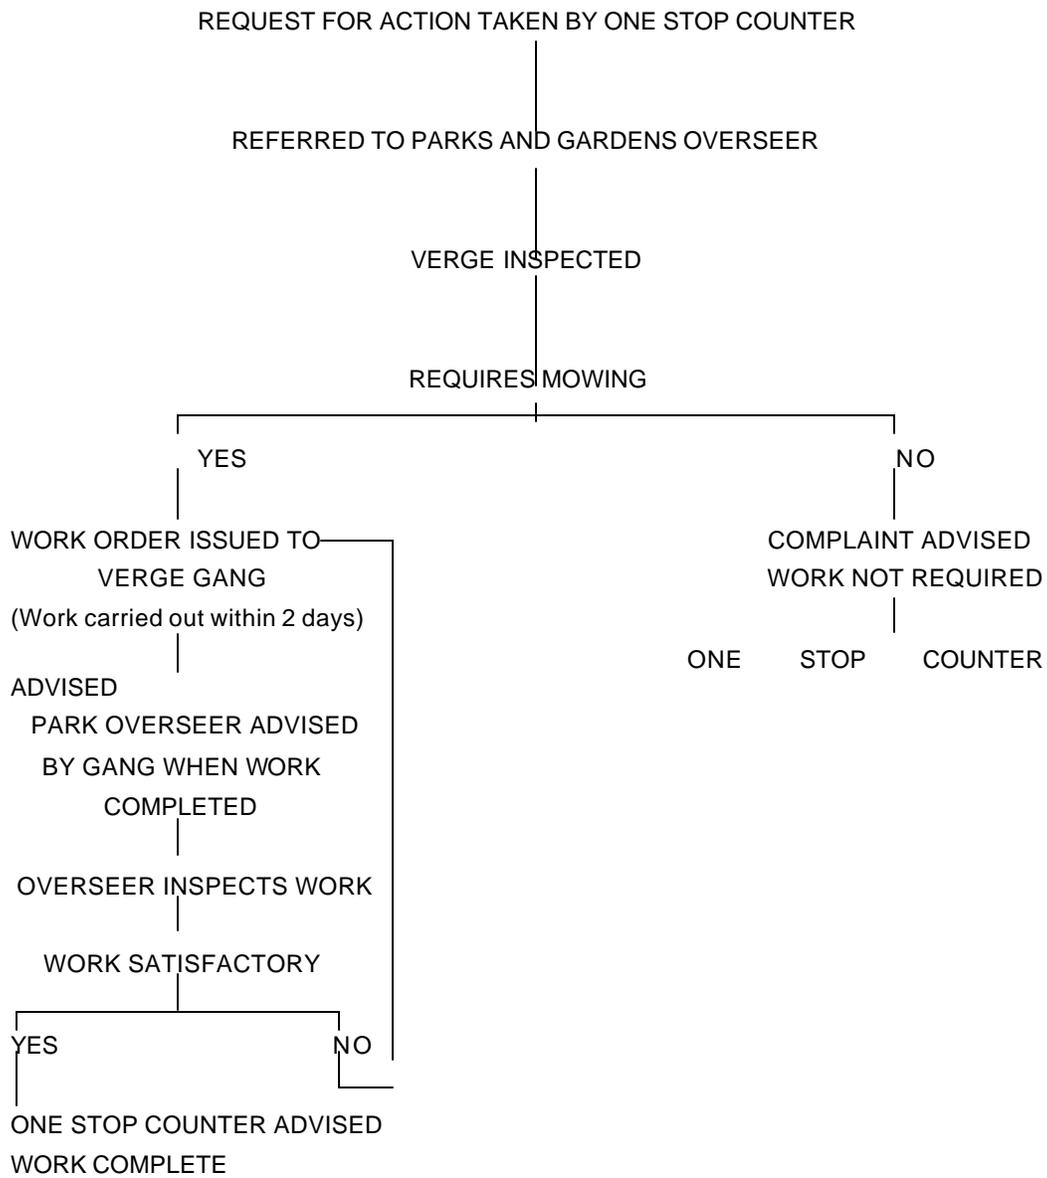

The following conditions will apply for acceptance for Council to maintain verges:

- The property owner is aged and not physically capable of maintaining the verge area.
- No grassed areas exist within the property and the verge would be the only areas required to be mown.
- The verge is not common to the property, thereby creating uncertainty as to which properties front the verge, ie. corner blocks.

*See flow chart overleaf.*
