TITLE: **TREE PLANTING - STREETS**

STRATEGIC PROGRAM: **NATURAL ENVIRONMENT**

DIVISION: **INFRASTRUCTURE & SERVICE DELIVERY**

POLICY: Council continue with its present policy of engaging in the planting of trees, on requests; and that there be added to such policy, and to any permission granted by the Director of Works & Services, the requirement that where trees are planted on footways by residents under these circumstances such residents are to be responsible for the mowing of the grassed footways outside their premises so as to eliminate what would otherwise be additional labour costs to Council in its mowing programme.

RESOLUTION: **Minute No. of Ordinary Meeting Refer to previous 1987 Policy Register**
