Welcome to Perfect Match

Sydney's inner west has a thriving creative and independent art scene – influenced by a rich industrial and multicultural history and an inclusive and progressive community.

Home to one of Australia's most impressive collections of street art, the inner west is an inspiring mix of history, creativity and culture - and Perfect Match is a 'perfect' opportunity to meet the creatives and discover the outdoor galleries and fascinating urban canvasses.

Perfect Match is a unique Council initiative tackling unwanted graffiti by fostering legitimate creative expression and art. Property owners are invited to find their Perfect Match by nominating their wall to be transformed by an artist. Artists submit their designs and ideas for public art. And Council then plays cupid.

Join in the fun! From 4 to 6 August 2017, we'll celebrate not only the 16 new works created through Perfect Match 2017, but also some of the best existing street artworks across our vibrant inner west.

On Friday 4 August, join a special guided tour to explore the Wall2Wall program, a collection of artworks created over ten

years across Leichhardt, Balmain, Lilyfield, Annandale and Camperdown.

Then on Saturday 5 August, join community celebrations and meet Alex Lehours as he applies finishing touches to his new work inspired by the historic Vicar's Woollen Mill in Marrickville. Enjoy an artist talk at Enmore Park and then hop on a free "whistle stop" train tour to experience street art and culture at communities along the line from Newtown to Ashfield.

And on Sunday 6 August, Sydenham is the focus. Take a guided tour and discover art laden laneways and innovative creative industries amidst the gritty industrial landscape.

Please join the participating artists, property owners and community in celebrating street art across the inner west with free neighbourhood celebrations, talks and tours from Friday 4 to Sunday 6 August 2017.

2PM - 4PM

Wall2Wall Bus Tour
Meet: **Leichhardt Town Hall, corner Norton and Marion Streets, Leichhardt**
Bookings: <http://bit.ly/2tCaQ5H>

As the Wall2Wall mural competition heads into its 11th year, join a free tour exploring artworks across Leichhardt, Balmain, Lilyfield, Annandale and Camperdown. Each year Wall2Wall adds another series of award winning murals to the local cultural landscape.

Starting with an iconic, politically motivated mural of the 80s (The Crescent Mural in Annandale), to murals that identify artists as individuals with their own signature style. Explore the diverse range of creativity expressed through art in public space and gain a deeper understanding of the way artworks add to the cultural heritage of the Inner West.

For information about the 2017 Wall2Wall competition, go to: www.innerwest.nsw.gov.au/art-events/arts-and-culture/public-art
