Discussion items

| Summary | Response / actions |
|--|---|
| <p>The 3 policy directions issued to the Bicycle Working Group were discussed.</p> | <p>Council's Chief Technology Officer is currently exploring online forums where members can exchange ideas. Brigid to follow-up on this and provide further information when it's available so the group can explore the 3 policy directions over the current term of Council and the Bicycle Working Group.</p> |
| <p>The Priorities, Actions and the network map in the draft Cycling Strategy were presented to provide context and background.</p> | <p>The draft Cycling Strategy is currently on exhibition and members are encouraged to make submissions as individuals and/or as a group.</p> |
| <p>Due to time overrun only brief discussion took place on possible meeting dates for 2023.</p> | <p>Brigid to contact members by email about meeting dates for 2023.</p> |
