The \$40 million funding of Leichhardt Oval preserves its history and ensures its future

\$40 million upgrade for Leichhardt Oval

Leichhardt Oval, the eighth wonder of the world, has been saved.

A joint funding arrangement between the Federal Government (\$20 million), Inner West Council (\$10 million) and the NSW Government (\$10 million) has been secured. For years Council has fought to save the eighth wonder of the world and now this community institution will be safe for another 50 years.

As one of Sydney's most beloved local sports grounds, the upgrade will ensure Wests Tigers continue to play at Leichhardt into the future.

The ground can also now grow to become a hub for women's sport. Sydney FC's Championship

winning women's team will keep playing at Leichhardt and Council will aim to have 50% of all content at the renovated ground to be female sport.

The renovation will include:

- ▶ An increase of 3,000 in seating capacity
- ▶ A new northern grandstand
- ▶ 4 new female-friendly change rooms

Inner West Council achievements 2022 – 2024

Since the beginning of this term of Council in 2022, the Inner West has been getting things done for local people and making sure the council is working for you.

Visualisation of the GreenWay section along Hawthorn Canal

Strong financial management and infrastructure delivery

- ▶ Keeping rates low with **no rates increases** beyond indexation since Inner West Council was formed in 2016.
- ▶ Won the Bluett Award for **best performing council** in NSW for 2024 due to financial performance and infrastructure delivery.
- ▶ **Saved Leichhardt Oval**, securing a \$40 million funding partnership between council and the Federal and State Governments.
- ▶ Completing the \$59.9 million **Cooks River to Iron Cove GreenWay** to be opened in 2025.
- ▶ Delivering the **\$12.5 million upgrade of Henson Park**.
- ▶ Budgeted \$40.5 million for the **renovation of Leichhardt Park Aquatic Centre** including replacing the Olympic pool, new play facilities and new program pool.
- ▶ Continued to improve the award-winning **Marrickville Library** and the awesome new **Ashfield Aquatic Centre**.

Advocacy for our community

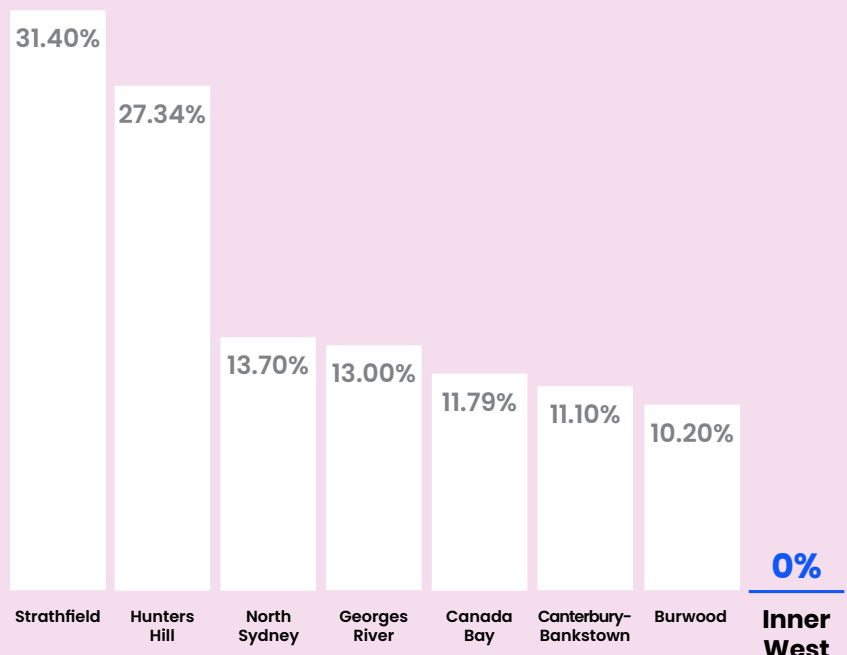

- ▶ Successfully fought to **keep local planning controls** rather than having top-down rezonings imposed on our community.
- ▶ Strong **advocacy against unacceptable impacts** from State projects such as the Rozelle Interchange.

Mayor Darcy Byrne at Rozelle Parklands

We're keeping your rates as low as possible

Rate rises above indexation from 2016/17 – 2023/24

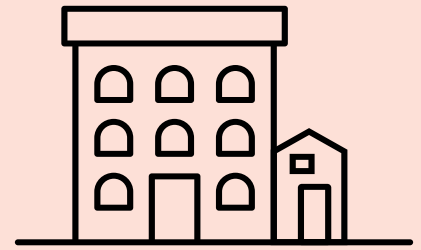

Expanding waste and recycling services

- ▶ Expanded **food recycling** to every home in the Inner West. Diverting food waste from landfill, massively reducing carbon emissions from rotting food and making compost for farmers to grow food.
- ▶ Introduced **unlimited bulky goods collection** for every household through an online booking service.
- ▶ Opened the **Inner West Sustainability Hub** at the former Summer Hill depot, giving a home to local organisations committed to supporting the circular economy.

Strengthening customer service

- ▶ Held 21 **Local Matters Forums** in every suburb, where councillors and executive staff hear from residents and are available to solve problems and provide assistance.
- ▶ Established a **mobile customer service team** with weekly street stalls rotating across every suburb so residents can get stuff done conveniently.
- ▶ Funded 8 additional **customer service staff** and reduced call waiting times to an average of 21 seconds.

Strong financial management delivers results

When the Inner West won the Bluett Award for Best Performing Council in NSW for 2024, the judges cited our strong financial performance as a reason for the award.

Since Inner West Council was formed in 2016, we have kept rates as low as possible with no increases above government indexation.

We have a very small deficit for the upcoming financial year followed by increasing surpluses in the following three years.

By paying close attention to the management and renewal of community infrastructure and facilities, we are managing our community's funds very effectively.

This is enabling us to invest in improved roads, footpaths, libraries, parks, and pools.

Careful and professional financial management will continue to be the cornerstone of making sure Inner West Council is working for you.

Inner West Council achievements 2022 – 2024 continued

Footpath repair at Birchgrove Park

Improving basic services

- Maintained and upgraded local roads, footpaths, and stormwater with \$44.4 million investment.
- Delivered library services to over 2.5 million users
- Delivered services to 4.6 million users of our aquatic centres in this term of council.

Deputy Mayor Chloe Smith at the opening of Nightingale, an affordable housing project in Marrickville

Affordable housing and renters' rights

- Offered 10 council-owned car parks and depots for conversion to public housing by the NSW Government.
- Delivered hundreds of new affordable and social housing dwellings in partnership with faith-based charities on church-owned land.
- Provided \$150,000 in emergency funding to Marrickville Legal Centre's Inner West Tenants Advice Service to enable thousands of Inner West renters to receive advice and representation.
- Set a target of 1,000 new public housing dwellings to be built across 5 years.

The arts and culture capital of Australia

- Converted 7 of our town halls to arts and cultural venues available free of charge for exhibition, performance and rehearsal.
- Making the White Bay Power Station an arts, cultural and live performance venue and bringing the Biennale there.
- Increased by 100% the budget for the award-winning Perfect Match mural program to keep the Inner West the street art capital of Australia.
- Established the Inner West Film Festival.
- Created street music festivals across all 5 wards of the Inner West to honour the music educator and conductor Richard Gill.

The Aboriginal Survival Memorial created by artists Maddison Gibbs and Nicole Monks at Yeo Park in Ashfield

Inner West Council achievements 2022 – 2024 continued

Making main streets vibrant

- ▶ Delivered a \$2 million **Main Street beautification** program across the entire LGA with new lights, plantings, public art and outdoor dining options.
- ▶ Created a \$7.5 million **main streets revitalisation fund** for main street improvements in partnership with local businesses and chambers of commerce.
- ▶ Made Enmore Road the first **Special Entertainment Precinct** in NSW and initiating more entertainment precincts in Marrickville, Dulwich Hill, Leichhardt, Balmain and Rozelle.
- ▶ Increased investment in **main street cleaning and verge mowing** schedules across the Inner West.

Community services and inclusion

- ▶ Trained 1,000 local citizens as advocates for the Uluru Statement from the Heart.
- ▶ Funded 5 inclusive playgrounds for children and young people with disability, with the first to open soon at King George Park, Rozelle.
- ▶ Officially named the square outside the Newtown Town Hall "**Pride Square**" to celebrate the Inner West's role in the struggle for LGBTIQ+ civil rights and equality.
- ▶ Opening the **Inner West Pride Centre** with respected LGBTIQ+ organisation, Twenty10. The Pride Centre opens in Newtown in August.
- ▶ Developing an **Anti-Racism Strategy** — the first council in NSW to do so.
- ▶ Created spaces for **children of asylum seekers** and refugees in our early childhood education centres.
- ▶ Delivered an **Aboriginal Survival Memorial** at Yeo Park in Ashfield. Two more memorials are funded in Tempe and Balmain.
- ▶ Establishing an **Aboriginal Community Hub** in Tempe.

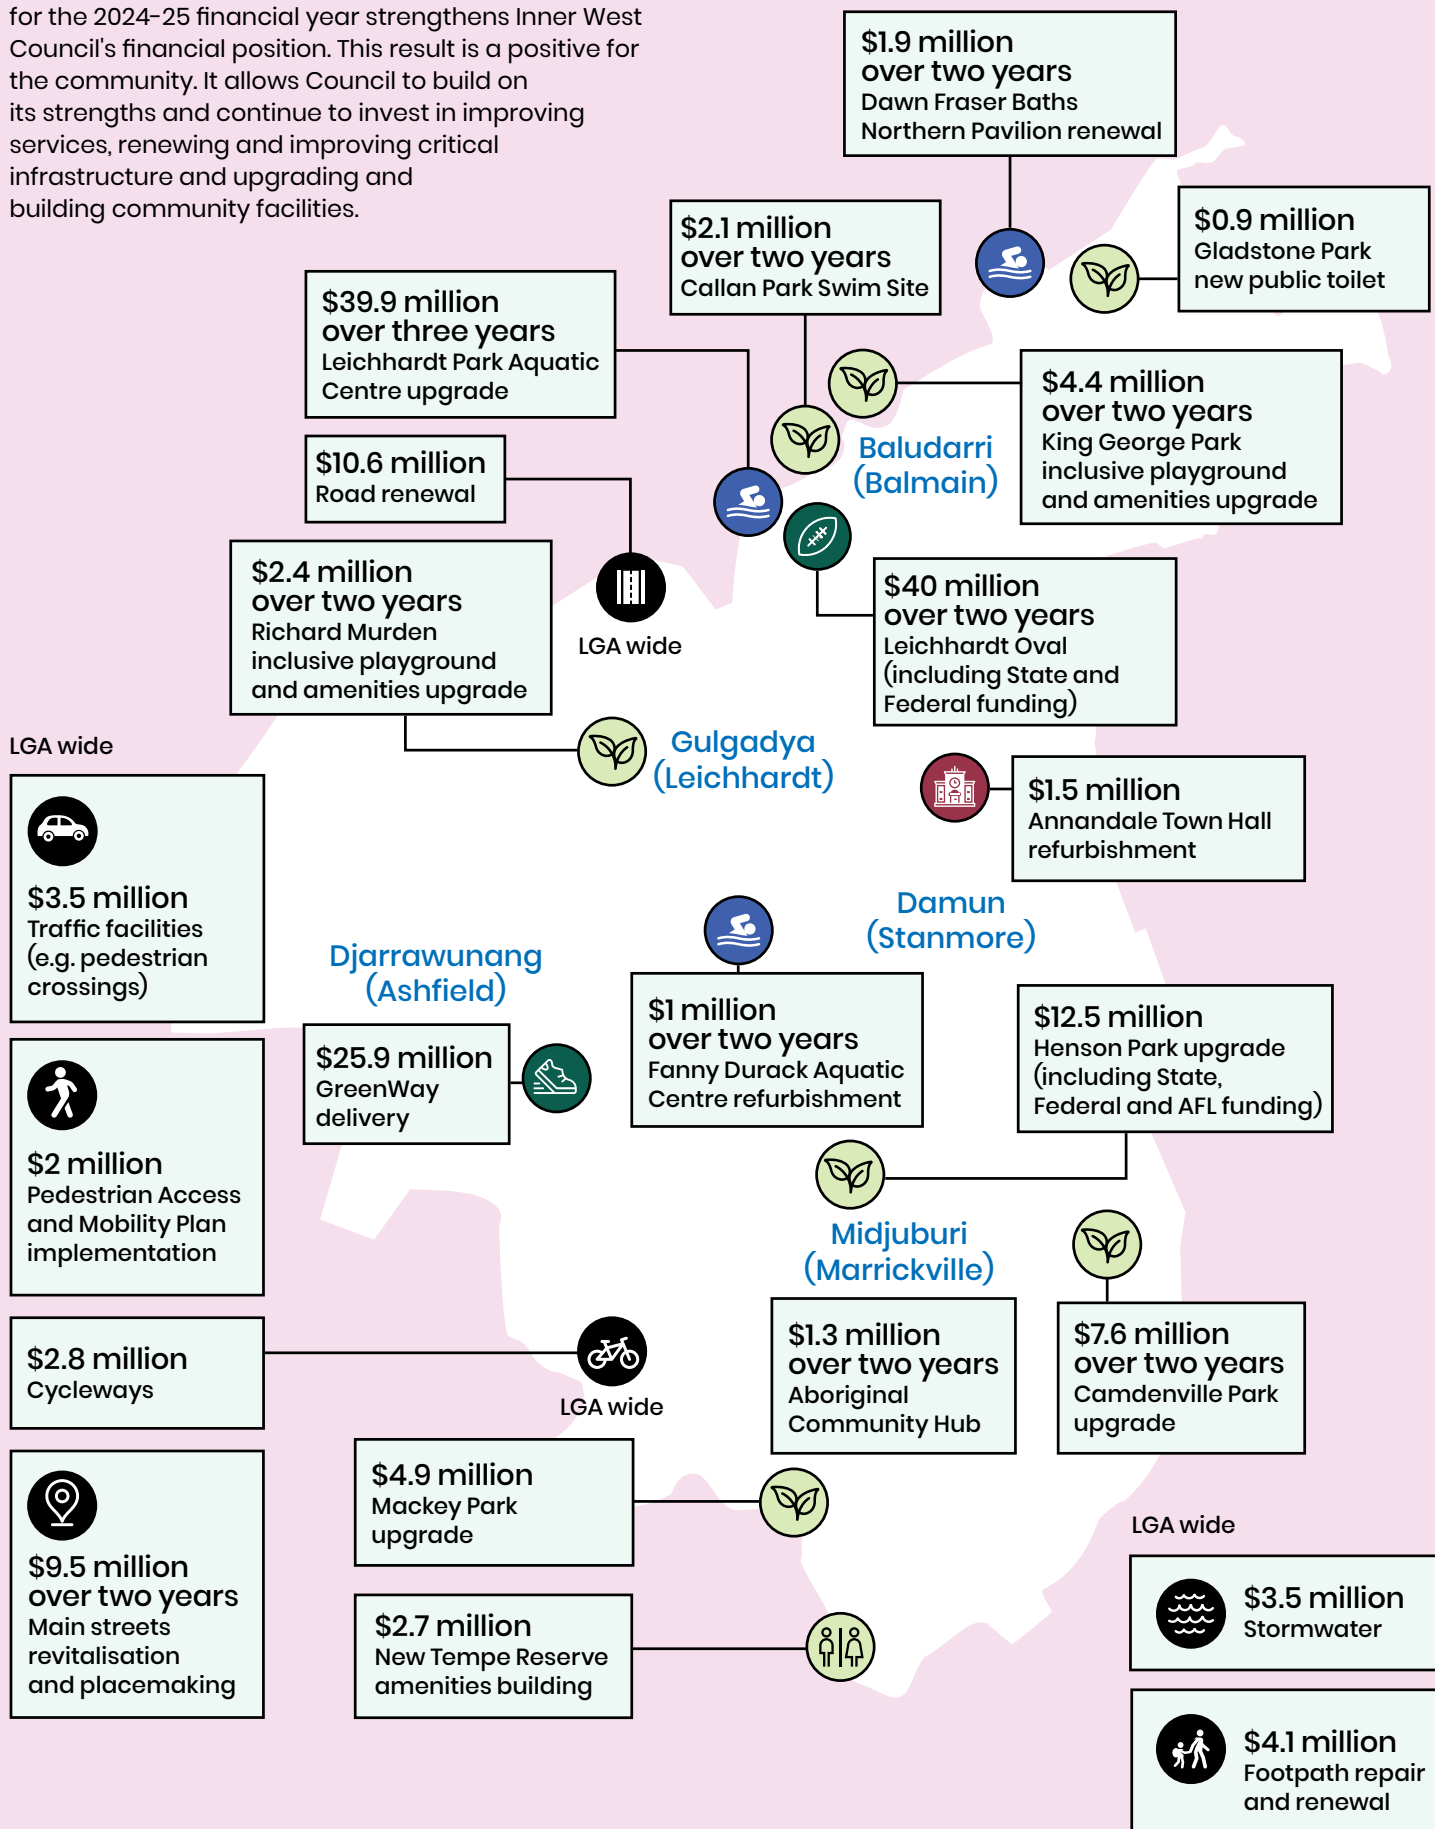

Becoming the most sustainable community in the nation

- ▶ Secured NSW Government grant funding to install **136 electric vehicle charging stations** throughout the Inner West over the next year. This will be the biggest expansion of electric vehicle infrastructure anywhere in Australia.
- ▶ The only council in Australia to become 100% powered by **renewable energy** and 100% **divested** from fossil fuels.
- ▶ In the first 8 months of the new **food recycling** service diverted 6,000 tonnes of food waste from landfill, reducing our community's carbon emissions by an extraordinary 12,600 tonnes.
- ▶ Funded the planting of **1,000 trees** each year, the biggest ever investment in increasing our tree canopy.

Capital Projects Highlights 2024/25

Due to responsible management, the budget adopted for the 2024-25 financial year strengthens Inner West Council's financial position. This result is a positive for the community. It allows Council to build on its strengths and continue to invest in improving services, renewing and improving critical infrastructure and upgrading and building community facilities.

Council regularly conducts comprehensive audits of every park, building, road and footpath. Hi-tech equipment for assessing conditions such as quad-bike-style inspection vehicles are used to check the conditions of our 845 kilometres of footpath.

These investigations inform our priorities for upgrading local footpaths, roads, kerbs and gutters, stormwater systems and community facilities.
