Dear Sir/Madam

**Grosvenor Crescent (Sloane St to Liverpool Rd), Summer Hill –
Proposed Raised Thresholds (Speed Humps)
Have Your Say**

Council is planning to improve road infrastructure by constructing three (3) Raised Thresholds (Speed Humps) in Grosvenor Crescent, Summer Hill (Sloane St to Liverpool Rd). The proposal aims to improve the overall road safety visual amenity by providing additional landscaping opportunities.

The Plan

The following works are proposed and are illustrated on the attached plans:

Grosvenor Crescent (Sloane St to Liverpool Rd), Summer Hill (Plan No. 10267):

- Construct three (3) new concrete Raised Thresholds (Speed Humps) to improve traffic safety by controlling traffic speed in the street.
- Provide new landscaping in the footpath on either side of the speed humps to protect accidental pedestrian movement across the speed humps.
- Installation of associated linemarking.

Please refer to the attached Consultation Plan (Plan No.10267) which illustrates the proposed works.

Parking Changes

No changes are proposed to the existing street & parking signage. Therefore, the proposal will not change existing on-street parking arrangements. Please refer to the attached plans.

Streetlighting

The existing lighting is deemed adequate and therefore there will be no changes to the existing street lighting due to the proposed works.

Have your say

Council welcomes feedback in relation to the proposal. Should you wish to provide any comments, please send the response by one of the following methods:

Email: council@innerwest.nsw.gov.au

Mail: Inner West Council, PO Box 14, Petersham NSW 2049

In person: Submit your written comments to the Customer Service team at the Leichhardt Service Centre, or any of the other service centres listed on the bottom of this letter.

By phone: Jalal Uddin on 9392 5650

Please ensure all correspondence is marked with Council's reference *Jalal Uddin* to ensure your comments are received by the correct Council Officer.

The last day to comment is Friday 16 February 2024.

What happens next?

Council has not yet made any commitment to change the traffic and parking arrangements in the street. A report, together with the community's comments and this proposal, will be considered by Council's Local Traffic Committee at its meeting on Monday **18 March 2024**. The Committee will make recommendations for Council to consider at the Council meeting on Tuesday **9 April 2024**.

Council will notify everyone who provided comments of the final decision.

The LTC meeting agenda will be available to view on Council's website in the week before the meeting at www.innerwest.nsw.gov.au/council/meetings/committees/local-traffic-committee. Members of the public may register to speak at this meeting. If you wish to do so, please contact Council's Administration Assistant—Infrastructure Services on (02) 9335 5788 to advise of your attendance. Please note that COVID restrictions may apply and limit personal attendance to the Traffic Committee (subject to restrictions in place).

When is the work planned?

These works are expected to be undertaken during the 2023/2024 financial year, subject to the outcome of this community engagement, final approvals, and budget allocations. No firm construction date is yet available, and residents will be notified further before any work starts in the street.

Further information

For specific enquiries about this project please contact me on (02) 9392 5650 or alternatively email me your responses to jalal.uddin@innerwest.nsw.gov.au

Yours sincerely
