Commodore Street, Newtown – Footpath Renewal – both sides between Pearl Street and Wells Street

Dear Resident,

Inner West Council will soon be renewing the footpath in Commodore Street, Newtown.

Providing high quality footpaths, kerbs and gutters and traffic infrastructure is a key priority. Council is maintaining community assets to protect safety and accessibility for all and ensure the cost to ratepayers of any repair works is minimised through ongoing maintenance.

These works are part of the \$33.2m investment Council has allocated to local roads, footpaths, traffic facilities, town centres, stormwater, car parks, town centres and cycleway upgrades this financial year.

For more information on this project, including schedule, potential impacts and contact details, please see the reverse of this page.

Yours sincerely,

Darcy Byrne
Inner West Mayor

Commodore Street, Newtown – Footpath Renewal – both sides between Pearl Street and Wells Street

Project features – Renewal of the existing footpath both sides – Sections as marked

Timings and work hours

The works will commence on Monday 11 September 2023 and take approximately two (2) weeks to complete (weather permitting).

The works will take place between 7am and 5pm, Monday to Friday (Saturday if required)

Reducing construction impacts

Access to properties will be maintained throughout the works. During construction, please do not park next to or near the works in progress.

We appreciate your patience and co-operation while we complete these important works.

Keep up to date and enquiries
