

10 November 2021

To the Resident / Business Owner

**Warren Road, Marrickville – new one-way section**

Council is changing a section of Warren Road, from Carrington Road to Illawarra Road, Marrickville, from two-way to one-way westbound traffic.

This will improve traffic flows and reduce potential vehicle conflicts for residents.

Council's contractor, D&M Excavations and Asphaltting Pty Ltd, will commence work the week of 29 November 2021 with completion expected within three weeks, weather permitting.

Access to properties will be maintained where possible, however there may be some temporary restrictions required at some stages of the works. Further notifications will be provided if access to your property will be impacted.

During construction, please do not park next to or near the works in progress.

**Enquiries**

Council's contractor: Phillip Williams  
M: 0413 554 405

Council officer: Paul Lunniss  
Ph: 8595 2423

Inner West Council appreciates your cooperation and apologises for any inconvenience caused.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Michael Craven".
