# NOTICE OF NIGHTWORKS

## RICH STREET, MARRICKVILLE

On behalf of **Inner West Council**, Ozpave (Aust) Pty Ltd is carrying out road maintenance works as part of essential ongoing roadway upgrades and improvements in your area. During these works we will be asphaltting the roadway at the following location:

**RICH STREET, MARRICKVILLE** (from Victoria Rd to End)

## SCHEDULED NIGHT OF WORKS

**MONDAY 8/7/24** – 7PM to 5AM

*(Works and times subject to unforeseen delays and weather permitting. Should weather prevent works on the scheduled date, they may occur the following working night).*

**If you have any questions relating to the works, please contact our Community Liaison Officer on 02 9678 9000 or email [community@ozpave.com.au](mailto:community@ozpave.com.au).**

### How will the scheduled works affect you?

There will be some noise associated with the execution of works and, disruptions may be experienced within the immediate work zone and some of the surrounding areas, but every effort will be made to minimise the impact on residents.

### ***Important changes to traffic, access and how you can assist.***

There will be temporary changes to traffic and parking conditions to ensure the safety of workers, residents, and road users alike.

**During works, RICH ST will be CLOSED and there will be NO STREET PARKING (including trailers) and NO VEHICLE or PROPERTY ACCESS. (All vehicles must be removed from roadway and any properties in the workzone that require access during work hours, by 7pm).**

**ADDITIONAL NO PARKING AREAS** will also apply on **VICTORIA RD** (from Chapel St to Cook Rd).

**A HIGHLIGHTED MAP HAS BEEN INCLUDED AT REAR OF NOTICE.**

**Parking Patrol** crews may be onsite during the day, to begin to restrict access to the affected and surrounding areas and prevent parking in preparation for commencement that night.

**Traffic Control** crews will also be onsite to provide any assistance and direction to stakeholders.

Your cooperation with following these changes and the direction of traffic controllers is appreciated and will assist in the return to normal conditions.

Refer to area marked in **BLUE** for confirmation of the **WORK ZONE** which includes **NO PARKING** and **NO ACCESS** on **MONDAY 8/7/24** from **7PM – 5AM**.

There will be **ADDITIONAL NO PARKING / ROAD CLOSURES** as indicated in **RED**.
