Stormwater Drainage Upgrade – Rawson Street, Haberfield

Dear Resident

Inner West Council will soon be upgrading stormwater drainage on the corner of Rawson St and Ramsey St, Haberfield.

Timing of work

The works will commence the week of 25 March 2024 and take approximately six weeks to complete (weather permitting). Working hours will be between 7:00am-5:00pm. Access to properties will be maintained wherever possible, however during construction, please do not park next to or near the works in progress.

Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.
