Upgrade of The Boulevarde, Lilyfield

Dear resident,

Inner West Council will commence works to upgrade The Boulevarde in Lilyfield from week commencing Monday 6 October 2025 (weather permitting).

These works following two rounds of community consultation and a public meeting to ensure the final design of The Boulevarde upgrade reflects the needs of residents and the wider community.

The final upgrades will include:

- Four new trees placed in the grass verge
- New landscaped kerb extensions at the The Boulevarde's intersection with Balmain Road
- Central landscaped median islands (without trees) to enhance pedestrian safety and slowing of traffic approaching the intersection
- Driveway improvements to match kerb and gutter levels
- Reconstruction of existing footpaths on both sides of The Boulevarde to make ensure they are more pedestrian friendly
- Re-surfacing of road pavements down The Boulevarde

These upgrades will improve overall pedestrian safety, particularly at the intersection with Balmain Road.

Timing of work

The works will commence from Monday 6 October 2025 and take approximately three weeks to complete (weather permitting).

Work hours: 7am to 5pm, Monday to Friday.

Construction impacts

Access to properties will be maintained, however during construction we ask that you please do not park next to or near the works in progress.

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Enquiries

Council's Contractor: Civotek Pty Ltd

Ibrahim Hawat, 0416 661 160

Council Officer: Snezana Bakovic, Project Manager, 9335 2228

snezana.bakovic@innerwest.nsw.gov.au
