## Stormwater Drainage Upgrade – Albion Street, Annandale

Dear Resident

Inner West Council will soon be upgrading the stormwater drainage on Albion Street, Annandale (between Young Street & Annandale Street).

### Timing of work

The works will commence the week of 30 January 2023 and take approximately six weeks to complete (weather permitting).

### Reducing construction impacts

Traffic Control will be used to maintain traffic and pedestrian flow around the site.

Access to properties will be maintained, however during construction, please do not park next to or near the works in progress.
