

12 May 2023

New Raised Pedestrian Crossing – Balmain Road at Stanley Street, Leichhardt

Dear Resident

Inner West Council will soon be upgrading the existing pedestrian crossing with a raised pedestrian crossing on Balmain Road at Stanley Street, Leichhardt.

Timing of work

Work will commence the week of 22nd May 2023 and take approximately two weeks to complete (weather permitting).

Reducing construction impacts

Due to the narrow road width and high traffic volumes some work is required to be carried out at night to improve safety for the road users and the workers.

The night work is scheduled for Saturday 27th May 2023 (weather permitting) between 6:00pm and 5:00am.

During the work traffic will be detoured around the site through Stanley Street, Mackenzie St, and Wetherill St. The buses will not operate during the night work detour.

Noisy works including saw cutting and jack hammering will be completed before 11:00pm with excavation and concrete pouring and curing to follow.

Traffic Control will be used to maintain traffic and pedestrian flow around the site.
