

**Stormwater Renewal – Relining works  
Reserve Street, Annandale  
(Outside 49, and 18 Reserve Street)**

Example of “before”

Example of “after”

**Dear Resident,**

**Inner West Council will soon be relining the stormwater pipeline in Reserve Street, Annandale.**

Council is committed to delivering high quality, cost effective infrastructure and facilities for the community of the inner west.

Safe streets and clean storm water is a key priority for Inner West Council. Managing storm water is extremely important, so Council is upgrading infrastructure not only to minimise flooding on our local roads, but also to ensure that stormwater discharged into our waterways and harbour is as clean as possible.

Inner West Council is investing about \$35,000 to bring you this project.

These works are part of the \$2.4M budget the Inner West Council has allocated to investing on **Stormwater** this financial year.

For more information on this project, including start date, duration, how the undertaking of the works might impact you, contact details of contractor and Inner West Council’s officer, please see the reverse of this page.

Yours sincerely,

**Cr Darcy Byrne**

Mayor  
Inner West Council
