Raised Pedestrian Crossings – Trafalgar St/Collins Street Intersection, Annandale

Dear Resident,

Inner West Council will soon be upgrading the pedestrian crossings at the Trafalgar St /Collins Street Intersection, Annandale to improve public safety in the area.

Providing high quality footpaths, kerbs and gutters and traffic infrastructure is a key priority. Council is maintaining community assets to protect safety and accessibility for all and ensure the cost to ratepayers of any repair works is minimised through ongoing maintenance.

Council is investing approximately \$160, 000 to bring you this project.

These works are part of the \$33.2m investment Council has allocated to local roads, footpaths, traffic facilities, town centres, stormwater, car parks, town centres and cycleway upgrades this financial year.

For more information on this project, including schedule, potential impacts and contact details, please see the reverse of this page.

Yours sincerely,

Darcy Byrne
Inner West Mayor

We appreciate your patience and co-operation while we complete these important works.

Timing of the Work

The works will commence the week of 9 January 2023 with completion expected in three weeks, weather permitting.

Reducing construction impacts

Traffic Control will be used to maintain traffic flow around the construction site.

Please do not park next to or near the works in progress.

Access to properties will be maintained throughout the works.
