

6 June 2022

**Raised Pedestrian Crossing – Annandale Street at Piper Street, Annandale**

Dear resident,

Inner West Council will soon be upgrading the Annandale Street and Piper Street Intersection, Annandale to improve public safety in the area.

Providing high quality footpaths, kerbs and gutters and traffic infrastructure is a key priority. Council is maintaining community assets to protect safety and accessibility for all and ensure the cost to ratepayers of any repair works is minimised through ongoing maintenance.

Council is investing approximately \$70,000 to bring you this project.

These works are part of the \$46.5m investment Council has allocated to local roads, footpaths, traffic facilities, town centres, stormwater, car parks, town centres and cycleway upgrades this financial year.

For more information on this project, including schedule, potential impacts and contact details, please see the reverse of this page.

Yours sincerely,

Darcy Byrne  
**Inner West Mayor**

We appreciate your patience and co-operation while we complete these important works.

### **Timing of the Work**

The works will commence the week of 13 June 2022 with completion expected in one week, weather permitting.

### **Reducing construction impacts**

Traffic Control will be used to maintain traffic flow around the construction site.

Please do not park next to or near the works in progress.

Access to properties will be maintained throughout the works.

### **Enquiries**
