**Station Street, Tempe – Footpath Renewal – between South Street and Princes Hwy –
both sides**

Dear Resident,

Inner West Council will soon be renewing the footpath in Station Street, Tempe.

Providing high quality footpaths, kerbs and gutters and traffic infrastructure is a key priority. Council is maintaining community assets to protect safety and accessibility for all and ensure the cost to ratepayers of any repair works is minimised through ongoing maintenance.

These works are part of the \$33.2m investment Council has allocated to local roads, footpaths, traffic facilities, town centres, stormwater, car parks, town centres and cycleway upgrades this financial year.

For more information on this project, including schedule, potential impacts and contact details, please see the reverse of this page.

Yours sincerely,

Darcy Byrne
