Address

Dear Sir/Madam,

HAVE YOUR SAY
Improving Fox Lane, Ashfield

Council is planning improvements to Fox Lane, Ashfield. The proposed works were informed by feedback received during an extensive community engagement carried out in 2014 to develop the Ashfield Town Centre Renewal - Public Domain Strategy.

The proposed improvements will create a more pleasant and safer environment for pedestrians. The proposed upgrades include:

- New paving replacing the existing asphalt pavement and raising the road level
- New markings to prioritise pedestrians over traffic
- Install bollards around potential dining areas
- Provide landscaped garden beds with passive irrigation
- Install efficient lighting mounted on new multi-function poles
- Provide bin pick up zone to improve waste collection arrangements
- Install public art suspended over the lane,
- New line marking and signage

Improving safety

As part of the upgrade Council is proposing to introduce shared zone from Liverpool Street to The Esplanade including reduced speed limit to 10km/hour. There will be no parking loss associated with the upgrade however existing time restricted ‘No Parking’ zones will be replaced with time restricted ‘Loading Zones’ and parking bays will be marked.

The proposed implementation of the 10km/hour ‘Shared Zone’ in Fox Lane is subject to approval by the Roads and Maritime Services (RMS). Should the RMS not grant approval for the ‘Shared Zone’, Council will proceed with the proposed improvements with minor modifications.

Please refer to the enclosed plan for more details. For more information visit yoursay-innerwest.nsw.gov.au.
Have your say

- Online: at yoursay.innerwest.nsw.gov.au
- By mail: Inner West Council, PO Box 14, Petersham NSW 2049 (reference number PG 19/6514)
- In person: submit your written comments to one of our Customer Service Centres listed on the bottom of page one, use reference PG 19/6514.

The last day to comment is Sunday 17 November 2019.

What happens next?

Your comments on the upgrade will be considered in finalising the design. A summary of what the community said will be published on yoursay.innerwest.nsw.gov.au

When is the work planned?

These works are expected to be built in this financial year subject to outcome of this community engagement, final approvals and budget allocation. Residents will be notified before any work starts in the lane.
