Dear Sir / Madam,

Improving Stormwater Drainage in Roberts Street, St. Peters

Council is planning drainage improvements in Roberts Street at Roberts Lane, St Peters as per attached plan to better manage stormwater in the area and replace old infrastructure.

The proposed works include:

- Closing of two existing inlet pits and constructing a new concrete kerb & gutter
- Removing the old DN275 stormwater pipe at the intersection
- Re-constructing a new footpath and matching with existing footpath suitably
- Resurfacing of road pavement (indicative)
- Providing three new Kerb-Ramp

Please refer to the attached plan for details and extent of the proposed works.

Have your say
You can comment

- Online: e-mail your comments to council@innerwest.nsw.gov.au with reference number DWS 5376621
- By mail: Inner West Council, PO Box 14, Petersham NSW 2049 (please use reference number DWS 5376621)
- In person: submit your written comments to the Customer Service team at the Petersham Service Centre, or any of the other service centres.

The last day to comment is Friday 11th October 2019.

What happens next?
Council will consider any comments received before finalising the design plans for the proposed works.

When is the work planned?
The works are planned for this financial year depending on the outcome of the engagement process, funding allocations and approvals. Residents will be further notified before any works commence.
