Reconstructing Stormwater Pipeline
Albany Road, Stanmore
(Outside 116 Albany Road)

Dear Resident,

I’m writing to let you know that Inner West Council will soon be reconstructing stormwater pipeline in Albany Road, Stanmore.

Inner West Council is committed to delivering high quality, cost effective infrastructure and facilities for the community of the inner west.

Safe accessible footpaths, kerbs and gutters are a key priority for Inner West Council. It is important that we maintain our footpaths to a high quality to make sure that they are safe for all pedestrians, and that repair costs don’t escalate and create added expense for our rate-payers.

Inner West Council is investing approximately $19,000 to bring you this project.

These works are part of the $2.4M budget the Inner West Council has allocated to investing on Stormwater this financial year.

For more information on this project, including start date, duration, how the undertaking of the works might impact you, contact details of contractor and Inner West Council’s officer, please see the reverse of this page.

Yours sincerely,

Cr Darcy Byrne
Mayor
Inner West Council
To the Resident
