Dear Resident,

I'm writing to let you know that Inner West Council will soon be reconstructing the footpath in Eltham Street, Dulwich Hill.

Inner West Council is committed to delivering high quality, cost effective infrastructure and facilities for the community of the inner west.

Safe accessible footpaths, kerbs and gutters are a key priority for Inner West Council. It is important that we maintain our footpaths to a high quality to make sure that they are safe for all pedestrians, and that repair costs don’t escalate and create added expense for our rate-payers.

Inner West Council is investing approximately $30,000 to bring you this project.

These works are part of the $3,006,000 budget the Inner West Council has allocated to investing on Footpaths, Kerbs and Gutters this financial year.

For more information on this project, including start date, duration, how the undertaking of the works might impact you, contact details of contractor and Inner West Council’s officer, please see the reverse of this page.

Yours sincerely,

Cr Darcy Byrne

Mayor
Inner West Council
To the Resident

Footpath Reconstruction
Eltham Street, Dulwich Hill
Between Fred Street and Victoria Street, both sides

Commencing Tuesday 9 April, 2019

Ally Civil - Inner West Council's contractor - will begin reconstructing the footpath in your street on Tuesday 9 April, 2019 (weather permitting)

The works are expected to take one week to complete, weather permitting, and include:

- Reconstruction of the existing concrete footpath.

All access to properties will be maintained throughout the works.

During construction, please do not park next to or near any of the works in progress.
