Dear Sir/Madam

Council is planning improvements in Hanks Street at the Queen Street intersection as well as in Queen Street at the Griffiths Street intersection. The proposed works will improve pedestrian and motorist safety and addresses resident’s concerns about speeding, driver behaviour and pedestrian safety in the area.

The Plan

The following works are proposed and are illustrated on the attached plans;

1. **Hanks Street and Queen Street, Ashfield - PLAN NO. 10082**
   - Remove Splitter Island and construct a new pedestrian refuge in Hanks Street.
   - Remove Splitter Island and construct a new pedestrian refuge in Queen Street.
   - Provide speed cushions in Hanks Street and Queen Street on approach to Roundabout.
   - Implement new line marking and signage to facilitate better traffic flow and for pedestrian safety.

Parking changes

This proposal will result in the loss of four parking spaces in Hanks Street and Queen Street.

2. **Queen Street and Griffiths Street, Ashfield – PLAN NO. 10102**
   - Provide speed cushions in Griffiths Street and Queen Street on approach to Roundabout.
   - Implement Signage to facilitate better traffic flow and for pedestrian safety.

Parking changes

This proposal will not result in any loss of parking spaces in Queen Street and Griffiths Street.

What happens next?

Council has not yet made any commitment to change the traffic arrangements in the street. A report, together with the community’s comments and this proposal, will be considered by Council’s Local Traffic Committee at its meeting on 4 November 2019. The Committee will make recommendations for Council to consider at the October Council meeting.

Council will notify everyone who provided comments of the final decision.

The LTC meeting agenda will be available to view on Council’s website in the week before the meeting at www.innerwest.nsw.gov.au/council/meetings/committees/local-traffic-committee. Members of the public may register to speak at this meeting. If you wish to do so, please contact Council’s Administration Assistant – Infrastructure Services on (02) 9335 2213 to advice of your attendance.

When is the work planned?

The works associated are expected to be built in the 2019/20 financial year, subject to outcome of this community engagement, final approvals and budget allocation.
