To the Resident / Business operator,

**ROAD RESURFACING**

Re: Night work on Marrickville Road, from New Canterbury Road to Wardell Road, Dulwich Hill - commencing Sunday 23 June, 2019

**Downer Group** - Inner West Council’s contractor - will be carrying out road resurfacing works on Marrickville Road, from New Canterbury Road to Wardell Road, Dulwich Hill.

Work is scheduled to commence on **Sunday night, 23 June, 2019** and will take approximately **4 nights** to complete, weather permitting.

This essential work involves road resurfacing and line marking to provide a smoother, more durable road surface, improving road safety.

Due to traffic volumes on this road, RMS will only permit works to be undertaken between 8:00pm and 5:00am each day. Therefore, the section of road undergoing resurfacing will be partially closed **Sunday to Wednesday between 8:00 pm and 5:00 am**.

Traffic controllers will try to maintain access for residents and businesses at all times, however some minor inconvenience may be experienced. The street needs to be clear of vehicles while the work is occurring.

The scheduling of this work may change so you will receive a letter confirming the date a couple of days before the resurfacing work commences. On the day before the proposed work, traffic controllers will be in your street advising residents to move their cars.

Inner West Council apologises for any inconvenience this night works may cause and appreciates the patience of residents and motorists.

For any enquiries about these works, please contact Justin Herridge from Downer Group on 9897 4333 / 98974317 or Justin.Herridge@downergroup.com.

Alternatively, please feel free to contact Inner West Council’s Assets Renewals Coordinator, Tom Haramis on 9392 5640 between 8:30 am and 4:30 pm on weekdays.

Kind regards,

**Tom Haramis** | Coordinator Asset Renewals
**Inner West Council**
