Dear Resident,

Inner West Council will soon be reconstructing road, footpath, stormwater and traffic facilities in Pritchard Street, Annandale. (From 20 to 34 Street Pritchard Street).

Council is committed to delivering high quality, cost effective infrastructure and facilities for the community of the inner west.

Safety is a key priority for Inner West Council, and that is why we are investing in safe, accessible traffic infrastructure, which is vital to make sure that all drivers and pedestrians are protected.

Council is investing about $200,000 in this project.

These works are part of the $11,384,400 budget that Inner West Council has allocated to investing on Roads, Footpaths Upgrade, Traffic Facilities and Stormwater this financial year.

For more information on this project, including start date, duration, how the undertaking of the works might impact you, contact details of contractor and Inner West Council’s officer, please see the reverse of this page.

Yours sincerely,

Cr Darcy Byrne

Mayor
Inner West Council
To the Resident

Roads, Footpaths Upgrade, Traffic Facilities and Stormwater improvement work in Pritchard Street, Annandale. (From 20 to 34 Street Pritchard Street).
