To the Resident / Business Operator,

ROAD RESURFACING

Night work on Burrows Road, St. Peters
between Canal Road and Cul De Sac,
Commencing Sunday night 17th May 2020

OzPave Pty Ltd - Inner West Council’s contractor - will be undertaking heavy Patching on Burrows Road, St Peters.

Work is scheduled to commence on **Sunday night, 17th May 2020** and will take approximately **4 night** to complete, weather permitting.

This essential work involves heavy patching of Burrows Road, to create a more durable road surface and improving road safety.

Due to traffic volumes on this road, the works will be undertaken between 7:00pm and 5:00am each day. Therefore, the section of road undergoing resurfacing will be partially closed **Sunday between 6:30 pm and 5:00 am**.

Traffic controllers will try to maintain access for residents and businesses at all times, however some minor inconvenience may be experienced. The street needs to be clear of vehicles while the work is occurring.

The scheduling of this work may change so you will receive a letter confirming the date a couple of days before the resurfacing work commences. On the day before the proposed work, traffic controllers will be in your street advising residents to move their cars.

Inner West Council apologizes for any inconvenience this night works may cause and appreciates the patience of residents and motorists.

For any enquiries about these works, please contact Ozpave’s Community Liaison Officer, on 9678 9000 or community@ozpave.com.au

Alternatively, please feel free to contact Inner West Council’s Project Officer, Mark Bye on 9392 5158 between 8:30 am and 4:30 pm on weekdays.

Kind regards,

Mark Bye | Project Officer
Inner West Council
