Dear Resident,

Inner West Council will soon be reconstructing concrete road slabs, Road slab stabilization, Dimond grinding the road and line marking - Salisbury Road, Stanmore (Northumberland Road to Stafford Lane)

Council is committed to delivering high quality, cost effective infrastructure and facilities for the community of the inner west.

Safety is a key priority for Inner West Council, and that is why we are investing in safe, accessible traffic infrastructure, which is vital to make sure that all drivers and pedestrians are protected.

Council is investing about $200,000 in this project, including $200,000 of funding by RMS. These works are part of the $400,000 budget that Inner West Council has allocated to investing on Reginal road this financial year.

For more information on this project, including start date, duration, how the undertaking of the works might impact you, contact details of contractor and Inner West Council's officer, please see the reverse of this page.

Yours sincerely,

Cr Darcy Byrne

Mayor
Inner West Council
To the Resident

Concrete Road Improvement Works - Salisbury Road, Stanmore
Between Northumberland Road to Stafford Lane.

State Civil - Inner West Council’s contractor - will begin reconstructing Concrete Road slabs in your street on **Monday, 25 November 2019 (weather permitting)**.

Due to traffic volumes on this road, RMS will only permit works to be undertaken between 10:00AM and 2:00PM each day. Therefore, the section of road undergoing reconstruction will be partially closed **Monday to Friday between 10:00 AM and 5:00PM**. We expect the construction to take approximately 4 weeks to complete, weather permitting.

Traffic controllers will try to maintain access for residents and businesses at all times, however some minor inconvenience may be experienced. The street needs to be clear of vehicles while the work is occurring.

All access to properties will be maintained throughout the works.

**During construction, please do not park next to or near any of the works in progress.**

For any enquiries about these works, please contact **Sam Kasab** from State Civil on 0404 333 353.

Alternatively, please feel free to contact Inner West Council’s Project Officer, Mark Bye on 9392 5158 between 8:30 am and 4:30 pm on weekdays.

Inner West Council appreciates your cooperation and apologies for any inconvenience caused.

Kind regards,

Mark Bye | Project Officer
Inner West Council
