Stormwater Program
The Boulevard, Dulwich Hill
between 25 The Boulevard and 209 New Canterbury Rd

Example of “before”  Example of “after”

Dear Resident,

I'm writing to let you know that Inner West Council will soon be relining a stormwater drainage pipe that runs underground between 209 New Canterbury Rd and 25 The Boulevard, Dulwich Hill.

Inner West Council is committed to delivering high quality, cost effective infrastructure and facilities for the community of the inner west.

Safe streets and clean storm water is a key priority for Inner West Council. Managing storm water is extremely important, so Council is upgrading infrastructure not only to minimise flooding on our local roads, but also to ensure that storm water discharged into our waterways and harbour is as clean as possible.

Inner West Council is investing about $70,000 to bring you this project.

These works are part of the $1,200,000 budget the Inner West Council has allocated to investing on the Storm water renewal program this financial year.

For more information on this project, including start date, duration, how the undertaking of the works might impact you, contact details of contractor and Inner West Council's officer, please see the reverse of this page.

Yours sincerely,

Cr Darcy Byrne
Mayor
Inner West Council
To the Resident

Storm water Program
Between 209 New Canterbury Rd and 25 The Boulevard, Dulwich Hill.
Commencing Wednesday 17 April, 2019

Interflow Pty Ltd- Inner West Council’s contractor will reline the stormwater pipe between 209 New Canterbury Rd and 25 The Boulevard, Dulwich Hill during the night of **Wednesday 17 April to Thursday 18 April, 2019 (weather permitting)**.

RMS Road Occupancy restrictions require the work to be done at night as permission to access the traffic lane on New Canterbury Rd for sufficient time is only available at night.

The works are expected to take one night to complete, weather permitting, and include cleaning, repairing and relining storm water pipeline using machinery.

Noise control measures will be implemented, such as selecting quieter machinery.

All access to properties will be maintained throughout the works.

**During construction, please do not park next to or near any of the works in progress.**

For any enquiries about these works, please contact Queenie Trinh from Interflow Pty Ltd on 0455 269 220.

Alternatively, please feel free to contact Inner West Council’s Project Engineer, Ross Picard on 9392 5496 between 8:30 am and 4:30 pm on weekdays.

Inner West Council appreciates your cooperation and apologies for any inconvenience caused.

Kind regards,

**Ross Picard | Project Engineer**
