Dear Resident,

Inner West Council will soon be constructing asphalt speed humps in Curtis Darling St at Elliot Street, Balmain.

Council is committed to delivering high quality, cost effective infrastructure and facilities for the community of the inner west.

Safety is a key priority for Inner West Council, and that is why we are investing in safe, accessible traffic infrastructure, which is vital to make sure that all drivers and pedestrians are protected.

Council is investing about $20,000 in this project.

These works are part of the $1,612,000 budget that Inner West Council has allocated to investing on Traffic Facilities this financial year.

For more information on this project, including start date, duration, how the undertaking of the works might impact you, contact details of contractor and Inner West Council's officer, please see the reverse of this page.

Yours sincerely,

Darcy Byrne

Cr Darcy Byrne

Mayor

Inner West Council
To the Resident

Road and traffic facilities improvement work in
Darling St at Elliot Street, Balmain

State Civil - Inner West Council’s contractor - will begin reconstructing the road, footpath, stormwater and traffic facilities in your street on Thursday 14th November 2019 (weather permitting).

The works are expected to take one week to complete, weather permitting, and include:
- asphalt speed cushions, adjustment to the median island, signage and linemarking.

All access to properties will be maintained throughout the works.

During construction, please do not park next to or near any of the works in progress.

For any enquiries about these works, please contact Sam Kasab from State Civil on 0404 333 353 or email address Sam@StateCivil.com.au.

Alternatively, please feel free to contact Inner West Council’s Project Manager, Predrag Gudelj on 9392 5801 between 8:30 am and 4:30 pm on weekdays.

Inner West Council appreciates your cooperation and apologises for any inconvenience caused.

Kind regards,

Michael Craven
Coordinator Project Management Services
