Dear Resident,

I’m writing to let you know that Inner West Council will soon be reconstructing the Kerb and Gutter, and resurfacing of Park Avenue Ashfield

Inner West Council is committed to delivering high quality, cost-effective infrastructure and facilities for the community of the inner west.

Safe accessible footpaths, kerbs and gutters are a key priority for Inner West Council. It is important that we maintain our footpaths to a high quality to make sure that they are safe for all pedestrians, and that repair costs don’t escalate and create added expense for our rate-payers.

Inner West Council is investing approximately $85,000 to bring you this project.

These works are part of the $5.4M budget the Inner West Council has allocated to investing on road resurfacing this financial year.

For more information on this project, including start date, duration, how the undertaking of the works might impact you, contact details of contractor and Inner West Council’s officer, please see the reverse of this page.

Yours sincerely,

Cr Darcy Byrne
Mayor
Inner West Council
To the Resident

Local Road Resurfacing Program – Park Avenue Ashfield
Between Holden Street to Park lane

As part of the Local Road Resurfacing Program, KK Civil Engineering - Inner West Council’s contractor - will be undertake the reconstruction of the Kerb and Gutter in Park Avenue between Holden street and Park lane, Ashfield

Work is scheduled to commence on **Tuesday, 28th April 2020** and will take approximately **4 weeks** to complete, weather permitting.

This essential work involves replacement of concrete Kerb and gutter, driveways, Stormwater lintels and re-surfacing of the road.

During the works residents are requested not to park their vehicles within the construction zone. The construction area will be barricaded and sign posted. There will be some noise associated with this work, however every effort will be made to minimise disruption to the local residents.

Council apologises for any inconvenience that may be caused by these works but trusts you will appreciate the long-term benefit to the local area once the works have been completed.

For any enquiries during the construction period, please do not hesitate to contact Ali Khamis, on 0414 403 547 from KK Civil Engineering.

Alternatively, please feel free to contact Inner West Council’s Project Officer, Mark Bye on 9392 5158 between 8:30 am and 4:30 pm on weekdays.

Kind regards,

Mark Bye | Project Officer
Inner West Council
