6 November 2019

Dear Sir or Madam,

Rehabilitating the Retaining Wall in Pritchard Street, Annandale

Council is planning improvements to the retaining wall at Pritchard Street, Annandale from Breillat Street to Property No. 32 to rehabilitate the surface of the wall to prevent further deterioration and to improve the streetscape in the area.

The proposed works include:

- Patching repairing and re-rendering of the existing retaining wall and repairing or reinstating the concrete capping beam where required
- Existing handrail/wire fence to be removed and reinstated or repaired where required
- Reconstruction of existing steps and footpath opposite to property no. 45
- Reconstruction of existing concrete gutter where required
- Regrading of grass area and construction of a new dish drain and grate adjacent to property no. 30 to improve drainage
- Re-sheeting of asphalt where required
- Upgrading existing kerb inlet grate covers and cleaning any blocked drainage pits

Please refer to the attached plan for details and extent of the proposed works.

Have your say
You can comment

- Online: e-mail your comments to council@innerwest.nsw.gov.au
- By mail: Inner West Council, PO Box 14, Petersham NSW 2049
- In person: submit your written comments to the Customer Service team at the Petersham Service Centre, or any of the other service centres.

The last day to comment is Wednesday 27th November 2019.

What happens next?
Council will consider any comments received before finalising the design plans for the proposed works.

When is the work planned?
The works are planned for this financial year depending on the outcome of the engagement process, funding allocations and approvals. Residents will be further notified before any works commence.
