Stormwater Renewal – Relining works
Sarah Street, Enmore
(Outside TAFE NSW – Design Centre Enmore)

Example of “before”  
Example of “after”

Dear Resident,

Inner West Council will soon be relining the stormwater pipeline in Sarah Street, Enmore
(Outside TAFE NSW – Design Centre Enmore)

Council is committed to delivering high quality, cost effective infrastructure and facilities for the
community of the inner west.

Safe streets and clean storm water is a key priority for Inner West Council. Managing storm water
is extremely important, so Council is upgrading infrastructure not only to minimise flooding on our
local roads, but also to ensure that stormwater discharged into our waterways and harbour is as
clean as possible.

Inner West Council is investing about $8,000 to bring you this project.
These works are part of the $2.4M budget the Inner West Council has allocated to investing on
Stormwater this financial year.

For more information on this project, including start date, duration, how the undertaking of the
works might impact you, contact details of contractor and Inner West Council’s officer, please see
the reverse of this page.

Yours sincerely,

Cr Darcy Byrne
Mayor
Inner West Council
To the Resident
