

How to view a determined development application

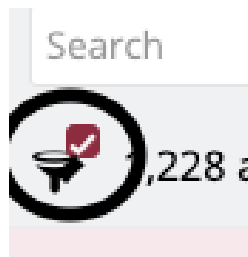

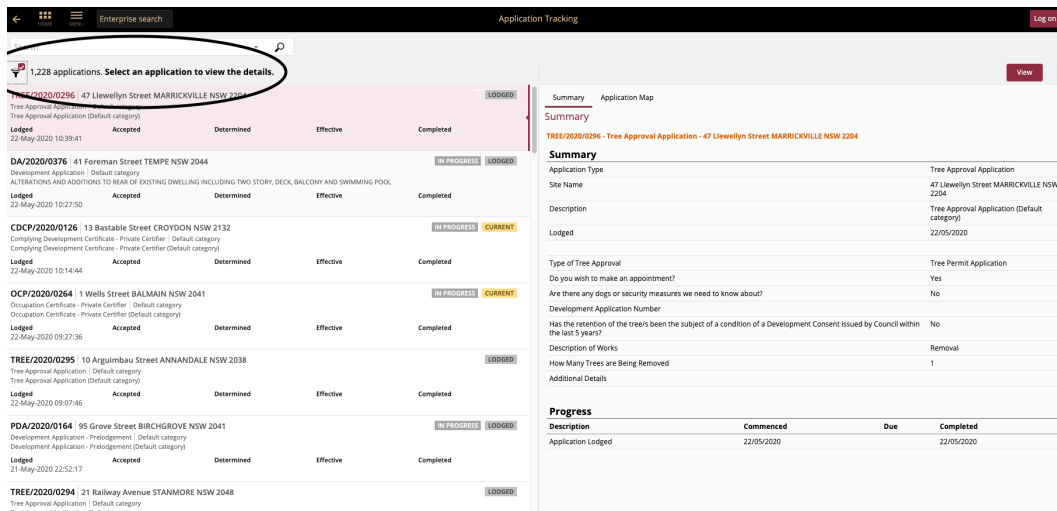

1. Click through to our online self-service web page.
2. Click on Enter as a guest or Register for the first time to enter the Council portal system.

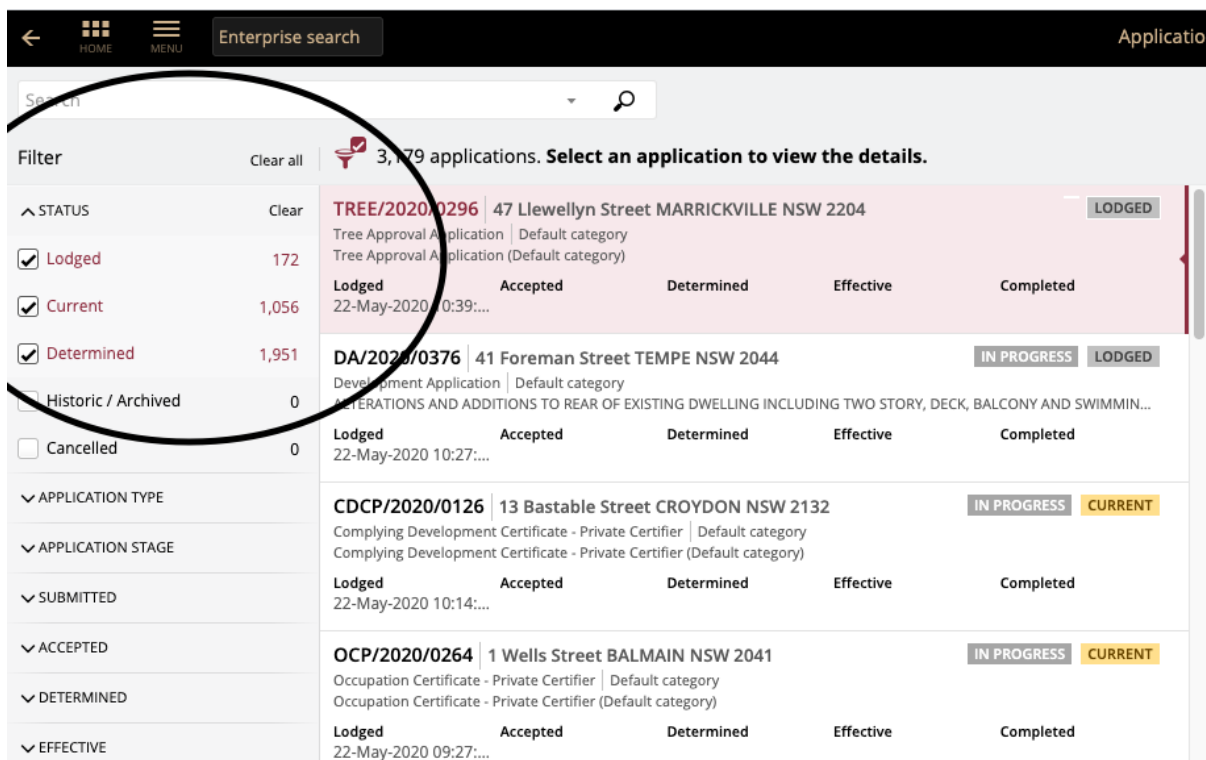

3. In the portal click on application tracking

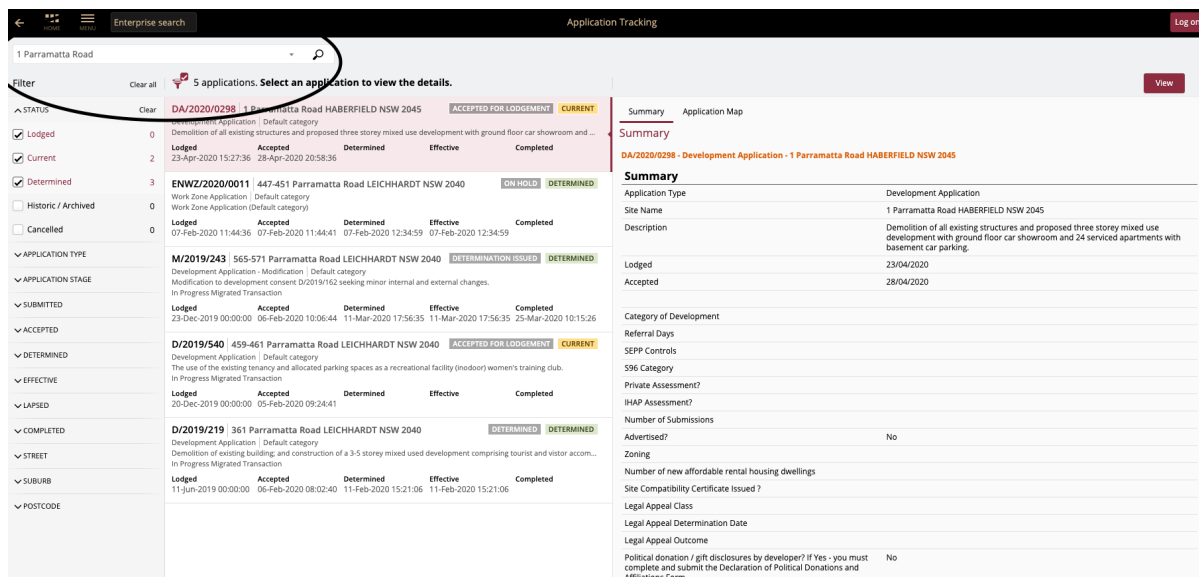

4. In application tracking, select the filter option in the top left hand corner

5. When the filter side bar is open, tick the determined filter on

6. In the search bar located in the top left hand corner enter the DA number or address and click the magnifying glass. This will then bring up the relevant application.

7. Click on the attachments section on the left hand side of the page. Under this tab all the determination documentation able to be placed on public view can be found.
