Statement of Significance <p>This house is part of a significant group of speculative cottages which, despite the changes evident in many, demonstrate the vigour, relevance and continuing interest of housing development before World War I in Ashfield. Originally 12 residences, it is an unusually large group to have been commissioned by one partnership. The group also encapsulates the transitional nature of cottage design at the turn of the 19th century, as seen by comparing Victorian-period elements, such as cast iron decoration, fireplaces and damp-coursing, with the Federation-period details such as turned timber posts, floor tiling and ventilated ceiling roses for suspended gas lights.</p>	Condition as observed from street — <input type="checkbox"/> Intact Minor alteration — <input type="checkbox"/> Sympathetic <input checked="" type="checkbox"/> Unsympathetic Major alteration — <input type="checkbox"/> Sympathetic <input type="checkbox"/> Unsympathetic Modifications — See description
