

GreenWay Community Forum meeting - Agenda

Monday 12 February 2024, 5.45pm to 7/7.15pm
Petersham Service Centre - Function Room (Ngara) Level 3

Welcome

Acknowledgement of Country

Introductions

Apologies

1. Minutes from last meeting: Business arising/Acceptance

2. Officer updates and reports

Officers attending:

- Thomas Hyun, GreenWay Project Manager
- Kate Matthews, Living Arts
- Ken Welsh, Active Transport

Q&A while officers are present

3. Items from Forum members

3.1 Jennifer Kent:

3.1.1: (Also Nick Chapman) The current timeline for the art exhibition & status update. Venue?

3.1.2: The future of the GreenWay Library when Johnson Park is revamped.

3.1.3: Courtesy of construction staff at Constitution Road.

3.2 Bruce Ashley:

Developing a GreenWay GIS. See attached Word Doc.

3.3 Bronwyn Holland:

3.3.1: GreenWay Mulch 'Certificate of Analysis'. What does GreenWay Community Forum need to do to:

- i) ensure that Contractors at all stages of development and ongoing future maintenance of GreenWay use certified clean, asbestos-and-contaminant-free mulches, and
- ii) are required to test/replace (as necessary) any contaminated mulches now in situ at any GreenWay locations.

3.3.2: (See Guiding Principles for Greenway in Corridor Works 2022-23 (GreenWay Community Forum doc. April 2023). Specifically, landscaping, bushcare, asbestos removal and maintenance principles. Can we ask to whom this advice was distributed, and the actual response to the document from all recipients?

3.4 Nick Chapman:

3.4.1: Public art

3.4.2: GreenWay video

3.4.3: Tracking items raised by the forum

4. Community Groups and Representative's reports

5. Other reports from Forum members/groups

6. Items/Questions on notice from Forum Members

7. General Business including reports from project groups, if any

8. Next meetings 2024
