Simone Plummer, Director Planning		<p>NC questions on notice from Agenda:</p> <ul style="list-style-type: none"> • Leveraging new developments> SP: infrastructure contribution plan (developers need to contribute to council) specifies GW apportioned costs. Council also takes advantage of projects adjacent to GW and leverages outcomes. • Public domain> SP: this team works with Simone; they are interested and pay attention to this. Simone recognises this as an opportunity. • GW Masterplan> RM: remaining works need to be identified, now focussing on priority works. • Cross council collaboration with City of Canterbury Bankstown Council (CCB)> RM: coordinated approach by maintenance team and bushcare, have been focussed on design and construction. Next step will be maintenance. • Streetscape improvement> KW: next year's action plan looks at pedestrian improvements. Forum is invited to submit comments on the plan. • How about GW south end (Ness Ave etc), how can these streets accommodate increased demand?> KW: can incorporate this in wayfinding discussion with Kurt and in review of plan. <p><u>AGREED ACTION:</u> NC and BA invited to submit bullet points about this.</p> <ul style="list-style-type: none"> • KW: we can give a plan to CBC council and get them on board. SP: will need to wait until later, maybe Community Directorate, but it fits under all Directorates. • Staff attendance at GCF meetings> SP: Council staff are asked to attend a lot of outside hours community meetings, need heads up for questions.

Kate Matthews, Living Arts		<p>Presentation update about public art on GW.</p> <ul style="list-style-type: none"> JK: had to cancel/postpone GW Art Prize for the first time this year, very disappointing and don't want to disappoint community sponsors. NC: is 1.7m budget allocation safe? KM: Yes. SH: it's about 1m. JK: needed more art in southern end of GW. Budget of 1m is disappointing, NC agrees. NC: art budget is important issue. KM: no decrease in funding. RM: emphasis on art and appreciate how it creates a sense of place. No budget decrease in sight. NC: Longport St tunnel artwork: can't spend funding before grant round finishes? KM: number of factors, delivery timing is one of the reasons. NC: what design treatment is this tunnel going to have to reduce graffiti? NC: GreenWay Art Prize> ArtEst and curator have signed 2-year agreement with Council, increased funding, taking place in June/July with EOI in March. DC: where can I find new EOI for GW public art identified Aboriginal and Torres Strait Islander work? KM: Council website, social media and other channels. DC: Can you send link? Yes, via Magda. <p>AGREED ACTION: Kate and Magda to share link when available</p> <ul style="list-style-type: none"> SC: why no GW Art Prize this year?
