

Dreaming With your Eyes Open

Limerick:

When it's raining outside
you have to decide
what to do.
To be you
and have pride.

you can bake with your mum
and have lots of fun.
You can go hands-on
and go upon
and not do a sum.

But you can sit there
and stare
and daydream
about being Supreme
at the fair.

It's so much fun
as you bite into a bun
in your daydream
and gleam
to be one.
