

# A Dream Come True

Diamonds. Gold. Everything you could possibly ever wish for. All in this room. "Max!" I heard a faint voice whispering. "Max. Max! MAX!!!" I shook as I woke up, everyone in class staring at me weirdly. "Max, how many times do I have to tell you! Stop daydreaming!" my teacher said to me. I looked up slowly, my eyes meeting with the teachers. "I'm sorry Mr Levinsane," I mumbled. RING RING RING! That was the school bell. Another day of embarrassment over.

As I arrived home, I noticed something strange. Since when did my family, of all families, have a solid gold doorknob? AND SINCE WHEN DID WE HAVE A MAILBOX MADE OUT OF DIAMOND??!! Slowly I walked up to the door and knocked. My mum opened the door. "Wow," I muttered under my breath. My mum was draped in jewellery from head to toe!

I walked into the house and took the elevator - "WAIT, WHAT?" I yelled. "WE HAVE AN ELEVATOR?!" I pressed the button that said "Max's Room". The elevator doors opened. "Whoa!" I whispered. There were video games, a doughnut bar and even pinball machines! I flopped onto my bed and thought to myself, how did this happen? Suddenly, I realised that the source of my power was probably from the "meat" they had given out in the cafeteria today. I was the only one who had been brave (stupid) enough to eat it. Now I realised that the "meat" had given me the power to make my dreams come true! But I realised, that if my dreams came true, my nightmares probably would too! I took the elevator back downstairs and said to my parents "I'm going to go to the library to do some research." My mum and dad nodded and told me to take the lamborghini. Geez, this just keeps getting better and better!

Once I arrived at the library, I looked for a while until I found the "MYSTERY MEATS" section. I searched for hours, and eventually I found the book. It was called "THE MYSTERIES OF SUSPICIOUS GLOWING MEAT." I flicked through the book until I found the right page.

## LUNCH "MEAT" FROM SCHOOLS

*If you ever find your school giving out free samples of meat, DO NOT ACCEPT ANY! This mysterious meat has the strange power to make your dreams come true! But be careful, because with this power comes a terrible curse! Any nightmares that you dream will also become reality! The only way to rid yourself of this power is a very powerful, ancient spell. There are 3 ingredients for this spell, and all are very dangerous to access! You will need:*

*The Horn of a  
Krunkle*

*The sapling of the  
Fridicus tree. If touched  
by the human hand, the  
sapling will die  
immediately*

*The mask of the (dead)  
king, Lord Fluffy!*

*All of these ingredients can be found in one place. The Museum of Stuff. Once you have collected all the ingredients, make sure they are all touching and say the magic words:*

*Please stop this now!*

I took the book up to the circulation desk and borrowed it. When I got home, I started planning the mission to break into The Museum of Stuff. The night had come, the night he was going to break into the Museum of Stuff. I arrived, head to toe in black (ninja style!)

Once I was inside, I took the elevator (again, not a thing that you should find in a house) and went to the "Extra Special Stuff" area.
