

Writing competition

Reading is magic and can transport you to amazing and curious places.

Write a short story about a wonderful and magical place.

2 More minutes

"Two more minutes please!" yelled Chole as she turned the page of her book. "No! Go to bed now!" scolded Brندن as she walked down the hallway. "Can you be quiet or you will face consequences!" Threatened Marlie as she awoke from her dreams. Chole dropped her book and fell asleep. Soon Chole awoke, got dressed and headed outside. Outside the cold morning air froze on Chole's finger tips bitterly. After a while Chole climbed a average tree... But fell into a deep hole! There was only two problems firstly she's falling, secondly the hole wasn't there before. Anways she's falling 50 feet down! She tries to call for help but no one answers her call. Her heart beats quickly and her chest feels very heavy. THUMPLA loud thump when she landed.

Write a short story about a wonderful and magical place.

"Where am I?" questioned Chole. She turned then saw light running came to a magical place called M-T Bin. Suddenly a cartoon rabbit hopped over and said "WELCOME! Where is my Mother Brenden and my sister Marlie?" questioned Chole. Suddenly the town started to crack and a ancient warrior came. He was trying to kill Chole! "QUICK COME!" Shouted the rabbit (which is named Bugs). They runned and runned till they reached the hole she had came from. "Take this rope and climb back home so you can go back to your Mother, Sister and father," gestured Bugs kindly. "I don't have a father," cried Chole as tears came from her eyes. "Good bye Chole," said Bugs emotionly. "AHH!" yelled Chole she was asleep this was all a joke. She never went to M-T Bin! What happened?

THE END
