

Reading is Magic

Some kids are in the playground
Others are zipping around
You're in your book
You're a strange magical cook

Perhaps you're in hogwarts flying on a broom
Maybe you're a detective in a dust filled room
Or you're dancing with cinderella
Or just maybe you're in narnia locked up in a cellar

Maybe you're with dinosaurs in prehistoric times
Or you're in the world of doctor seuss's wonderful rhymes
Books can take you anywhere, any time, any place
The words paint pictures right in front of your face
