Privacy statement

Application forms and/or names and addresses of people making an application is information that is publicly available. In accordance with section 18(1)(b) of the *Privacy and Personal Information Protection Act 1998 (NSW)*, you are advised that all application forms received by Council will be placed on the appropriate Council file and may be disclosed to Councillors, Council officers, consultants to Council or members of the public. Pursuant to the provisions of the *Government Information (Public Access) Act 2009*, Council is obliged to allow inspection of its documents, including any application you make. However, should you wish for your contact details to be suppressed, please indicate below:

Do you wish to have your contact details to be suppressed: Yes ☐ No ☐

Lodgement Information

Lodging an application requires a completed application form.

All relevant information and the payment of the required fee (where a fee applies).

Application will be checked at lodgement to ensure the required information is provided.

Incomplete/illegible applications will not be accepted and will be returned to you.

Lodge by Email: building@innerwest.nsw.gov.au

- Registration is required for the application lodgement
- All documents including plans must be submitted as separate PDF files, viewable in Adobe Acrobat – each document with clear (descriptive) file names.
- Security settings (including passwords and editing restrictions) must not be applied to electronic documents.
- Files larger than 5MB should be separated logically and supplied as separate PDF files.

Part B – Supporting Documentation

Hold an event on an 'event-ready' site: Application Form

Information to be included if you choose not to use Council's pre-approved Event Management Plan	Cover Letter Provide details of the event and list of documents supporting the application including bump in and bump out schedule, time of event to be run and Inner West Council contact for event including park booking confirmation.	<input type="checkbox"/>
	Site Plan Site plans with dimensions, local features and a north point (true north), and temporary infrastructure such as tents, marquees and stages. The site plan should also provide details of the event layout and address where possible the matters highlighted below.	<input type="checkbox"/>
	Notification Plan Detailing how you plan to notify businesses and residents in surrounding streets that the event is on. This should include a resident notification letter.	<input type="checkbox"/>
	Risk and Emergency Management Plan identifying the potential risks and outlining appropriate strategies to mitigate them safely.	<input type="checkbox"/>
	Waste Management Plan How will the event organisers arrange for the removal of all rubbish from the event and rubbish pick throughout the event? What arrangement will be made for the dropping off and picking up of waste bins?	<input type="checkbox"/>
	Temporary WCs Management Plan Will WC access for all persons be made available at the event? How? Suggested number of toilets to follow NSW Government advice https://www.nsw.gov.au/departments-and-agencies/premiers-department/community-engagement/event-starter-guide/health	<input type="checkbox"/>
	Disability Access Management Plan How will access for all persons be made available to the event? Event Managers are encouraged to utilise the Toolkit for Accessible and Inclusive events, available at the NSW Government website: https://www.nsw.gov.au/sites/default/files/2023-07/Toolkit-for-Accessible-and-Inclusive-Events.pdf	<input type="checkbox"/>
	Noise Management Plan Detailing if amplified sound is to be included and how the noise level will be managed to ensure it is not a nuisance. Sound levels must not exceed LAeq 15 minute ≤ 65 dB(A) when measured at the nearest affected receiver (resident or business). Refer 17p0524-noise-policy-for-industry.pdf and Protection of the Environment Operations Act 1997 No 156 - NSW Legislation for further details	<input type="checkbox"/>
	Crime Prevention & Security Management Plan The plans should address the following Crime Prevention Guidelines: security, Access control, Territorial reinforcement and Space management.	<input type="checkbox"/>
	Contingency Plan What measures will be taken if the event needs to stop, postpone or cancel and how attendees will be notified	<input type="checkbox"/>
