Creepy Cave

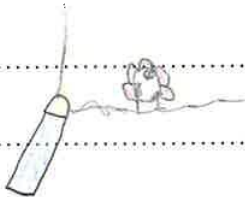

One day, a badger called the Happy Badger was playing soccer with his pal, Anty.

Suddenly, Happy Badger accidentally kicked the ball into the creepy cave behind Anty.

"We have to get the ball!" said Happy Badger. "Let's go inside and see!" said Anty. So they got inside, but it's too dark to see! Hopefully, Happy Badger got a pack of torches in his cape. Then, they saw the soccerball floating in mid-air!

They ran towards the soccerball, but then, BONK!!! They fell into a large hole filled with snakes! They ran backwards to see if the snakes are catching up.

Then, Happy Badger got a good idea! He swung a snake, and it bit on the edge of the hole, and got out so, Anty copied his move and the both got out.

They realised that it was a flower holding the soccerball! Also, the flower can talk and got into the Happy Badger team! Then, they can have another sidekick to help!

THE END!
