

The Crystal Door.

There once was a girl called Milly. It was night, Milly did not like night. There was a scratching sound. Milly jumped up and ran under her bed, but to her surprise it was a crystal door! Then there was a creaking sound, and the door opened and she ran into the ^{crystal} door.

Then she turned into a mouse! And she appeared to be in a world made of cheese and lots of talking mice. The mice said "hello and what are you doing here?" she said she needed to go back home through the magic door. "But you have to get there before dawn or you'll be stuck here forever!" said the mice.

Then the sun set, and a huge cat ran in and tried to eat them. Then milly the mouse stuck cheese around the cat and then the cat disappeared.
??

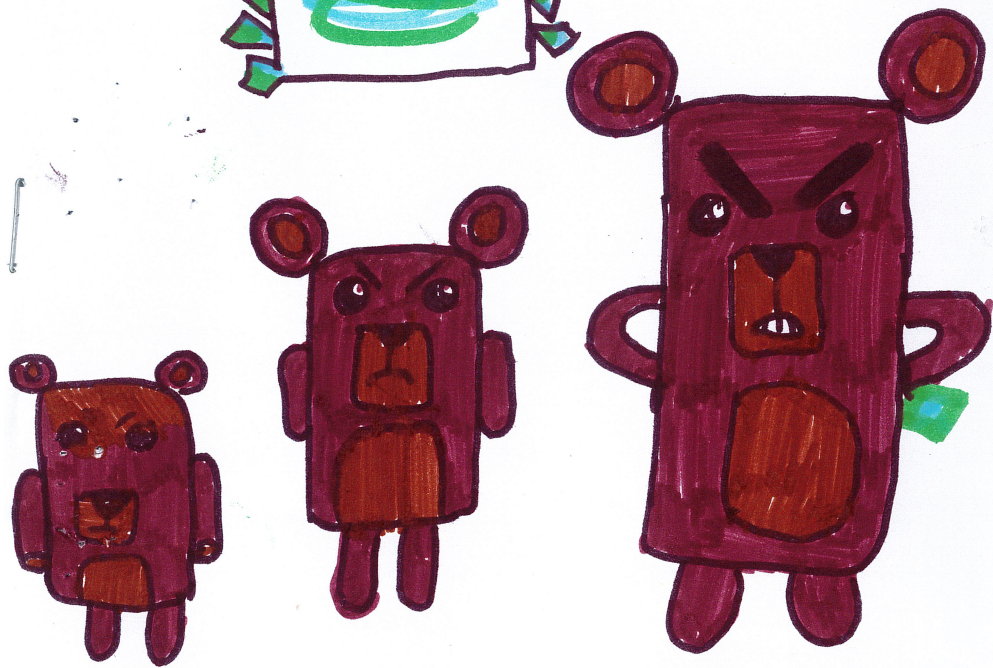

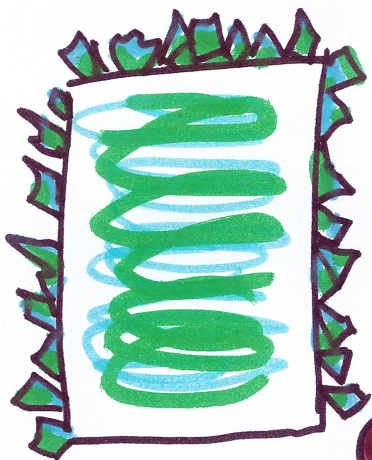

The next day, she
Packed her bag and
left, The mice said
"bye" and off she went
and found the crystal
door and walked right
into a talking tree!
Well, a brocolli tree.
She was now a
Pea!

~~Goldilocks~~ got back at home*
and "Dont come back"
said the vegetables
and opened a crystal
Door to Goldilocks
thous Milly turned into
a version of Goldylocks
then the real Goldylocks
and Milly had a fight.

~~the~~ ^{the 3 bears} gave Milly the magic
crystal door back to her house
Now she was back at home
She missed the crystal
land but was happy to
be home. Maybe she
will visit someday.

door under her bed
